- There is a large area of undeveloped natural beauty. (Additional comments on physical and ecological topics. E.g. South is mountainous - dense forest. High but inaccessible in West. Little development. Other comments. But focused more on landscape, and could more effectively be included in the description of the area. The large tract is not a small, isolated fragment of undeveloped land, as most. (Many comments were about agriculture - especially, farming on the land.)

10. **CONCLUSIONS** reflect the proposed project and design. The student will compare and contrast the proposed project with other projects.
