The Complete Works of C. H. Spurgeon, Volume 11 Spurgeon, Charles H., Volume 11 Sermons 607-667 Charles Spurgeon 19 June 1834-31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon's legacy continues to effectively inspire the church around the

world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon **Holy Word** J. Arthur Baird,2002-06-18 J Arthur Baird is the author of several important books in New Testament studies his best known perhaps being his Audience Criticism and the Historical Jesus At his untimely death he left a nearly complete manuscript now published here In this timely and relevant manuscript Baird offers first a critical introduction to the historical paradigm pointing out its limitations in terms of tracing the paradigm of New Testament formation He then traces this development himself beginning with the starting point of the Holy Word and noting its development through the context theological interpretation and application to its manifestation in the apostles schools and fathers He concludes with comments on its current implications This book represents the last and lasting final thoughts of a scholar who was very much devoted to the importance of the Holy Word *Biblical Theology of the New Testament* Peter Stuhlmacher,2018-08-16 First English edition of an iconic work of German scholarship Since its original publication in German Peter Stuhlmacher s two volume Biblische Theologie des Neuen Testaments has influenced an entire generation of biblical scholars and theologians Now Daniel Bailey s expert translation makes this important work of New Testament theology available in English for the first time Following an extended discussion of the task of writing a New Testament theology Stuhlmacher explores the development of the Christian message across the pages of the Gospels the writings of Paul and the other canonical books of the New Testament The second part of the book examines the biblical canon and its historical significance A concluding essay by Bailey applies Stuhlmacher s approach to specific texts in Romans and 4 Maccabees **Confessing and Commending the Faith** Alan P.F. Sell,2006-09-01 Since Christianity is a way and not simply a theory commending the faith to others is an activity in which every Christian participates Confessing and Commending the Faith discusses the presuppositions which underlie the intellectual commendation of Christianity in the face of the philosophical challenges of the present day Following his earlier books John Locke and the Eighteenth Century Divines and Philosophical Idealism and Christian Belief Alan Sell proposes a way of proceeding with Christian apologetics in the twenty first century He discusses what Christians wish to proclaim asks whether these claims are reasonable and examines what is involved in the intellectual commendation of the Christian faith Confessing and Commending the Faith makes extensive use of the historical tradition of apologetics and brings this work to bear on contemporary questions such as the meaning use and reference of religious language and the question of transcendence in relation to history Alan Sell argues that if the intellectual commendation of Christianity s claim to truth is to be viable contemporary apologetics must draw upon reason revelation and experience to do justice to Christianity s basic confession of Christ as Saviour and Lord Pastoral Reflections on Life and Ministry John P. Davis,2021-10-29 Pastoral Reflections on Life and Ministry expresses my passion to look at life and ministry through the lens of the gospel of Jesus Christ Whether it is theology Christian fellowship ecclesiology or social issues the gospel alone sheds the kind of light needed to see things from God s perspective These are reflections of a man a husband a father a pastor and

Matthew 13 and the Prophetic Parables About the Present Age Todd Baker, 2011-12-01 Matthew chapter 13 is key to correctly understanding the specific time frame for the Second Coming and establishment of Messiah's Kingdom on earth and how the course of the present age will unfold and progress from the first coming of Christ until His return Failure to properly understand these parables of Matthew 13 results in a failure to understand all the rest of the parables Jesus spoke after them as He so indicated in Luke 4:13 Therefore it behooves every Bible believing Christian to take serious study of the unfolding prophetic events of the present age as symbolized in the eight parables of Matthew 13 This simple exposition is a humble effort to help the Bible student and reader gain a better appreciation and understanding of this chapter as it pertains to those living in the present age as these prophetic parables are unfolding and being fulfilled right before our very eyes
