Bernard Miller, 2007-03 What Is Wrong With Our Schools? The ideology impoverishing education in America and how we can do better for our students Daniel Buck, 2022-12-09 What is wrong with our schools is the question everyone seems to be asking or more like screaming nowadays Standard answers point to everything from school funding to unions to bureaucracies and more In this book Daniel Buck provides a different answer flawed ideas ideas about instruction curriculum

even human nature itself are the root cause of American schooling's dysfunction. Touching on philosophy, contemporary educational studies, cognitive science, and his own experience in the classroom, Buck argues that so long as we build our system on incorrect first principles, all other reforms are for naught. In place of the progressive education that pervades our schools, Buck argues for a traditionalist approach: classic literature, direct instruction, sequenced curricula, clear rules, and consequences as the education we need for the future.
