Rose Gold An Easy Rawlins Mystery:

Rose Gold Walter Mosley, 2015-06-09 In the sixties era of black nationalism political abductions and epidemic police corruption Easy's latest case will pull him unremittingly and inevitably into the darkest underbelly of Los Angeles Rosemary Goldsmith the daughter of a weapons manufacturer has been kidnapped by a black revolutionary cell called Scorched Earth Their leader Uhuru Nolic is holding her for ransom and if he doesn't receive the money weapons and apology he demands Rose Gold will die horribly and publicly So the authorities turn to Easy Rawlins the one man who can cross the necessary lines to resolve this dangerous standoff and find Rose Gold before it's too late Little Green Walter Mosley, 2013-05-14 When Walter Mosley burst onto the literary scene in 1990 with his first Easy Rawlins mystery *Devil in a Blue Dress* a combustible mixture of Raymond Chandler and Richard Wright he captured the attention of hundreds of thousands of readers including future president Bill Clinton Eleven books later Easy Rawlins is one of the few private eyes in contemporary crime fiction who can be called iconic and immortal In the incendiary and fast-paced *Little Green* he returns from the brink of death to investigate the dark side of L.A.'s 1960s hippie haven the Sunset Strip We last saw Easy in 2007's *Blonde Faith* fighting for his life after his car plunges over a cliff True to form the tough WWII veteran survives and soon his murderous sidekick Mouse has him back cruising the mean streets of L.A. in all their psychedelic 1967 glory to look for a young black man Evander Little Green Noon who disappeared during an acid trip Fueled by an elixir called Gator's Blood brewed by the conjure woman Mama Jo Easy experiences a physical spiritual and emotional resurrection but peace and love soon give way to murder and mayhem Written with Mosley's signature grit and panache this engrossing and atmospheric mystery is not only a trip back in time it is also a tough minded exploration of good and evil and of the power of guilt and redemption Once again Easy asserts his reign over the City of Fallen Angels **Charcoal Joe** Walter Mosley, 2017-05-02 In this latest installment of the Easy Rawlins series from beloved and bestselling author Walter Mosley the L.A. private eye has his hands full with the investigation of a racially charged murder Easy Rawlins has started a new detective agency with two trusted partners and has a diamond ring in his pocket for his longtime girlfriend Bonnie Shay Finally Easy's life seems to be heading towards something that looks like normalcy but inevitably a case gets in the way Easy's friend Mouse calls in a favor he wants Easy to meet with Rufus Tyler an aging convict whom everyone calls Charcoal Joe Joe's friend's son Seymour has been charged with the murder of two white men Joe is convinced the young man is innocent and wants Easy to prove it no matter what the cost But seeing as how Seymour was found standing over the dead bodies and considering the racially charged nature of the crime that will surely prove to be a tall order **Understanding Walter Mosley** Jennifer Larson, 2016-10-31 A survey of an award winning author's extensive corpus written across a broad range of genres Walter Mosley is perhaps best known for his first published mystery *Devil in a Blue Dress* which became the basis for the 1995 movie of the same name featuring Denzel Washington Mosley has since written more than forty books across an impressive expanse of genres

including but not limited to nonfiction science fiction drama and even young adult fiction garnering him many honors including an O Henry Award an Anisfield Wolf Book Award a Grammy Award a Pen Center Lifetime Achievement Award and two NAACP Image Awards for Outstanding Literary Work in Fiction In Understanding Walter Mosley Jennifer Larson considers Mosley's corpus as a whole to help readers more fully understand the evolution of his literary agenda All Mosley's texts feature his trademark accessibility as well as his penchant for creating narratives that both entertain and instruct Larson examines how Mosley's writing interrogates complicates and contextualizes recurring moral social and even personal questions She also considers the possible roots of Mosley's enduring popularity with a diverse group of readers Larson then traces key themes and claims throughout the Easy Rawlins series to show how Mosley's beloved hero offers unique perspectives on race class and masculinity in the mid to late twentieth century explores the ways in which Fearless Jones Mosley's second detective both builds on and diverges from his predecessor's character and looks at how the works featuring Leonid McGill Mosley's junior detective center on understanding the complex relationship between present day social dilemmas and the personal as well as the communal past Regarding Mosley's other genres Larson argues that the science fiction works together portray a future in which race class and gender are completely reimaged yet still subject to an oppressive power dynamic while his erotica asks readers to reconsider the dynamics of power and control but in a more personal even intimate context Similarly in Mosley's nongenre fiction stories are revived through a reconnection with the past a reclaiming of cultural heritage and lineage and a rejection of classist visions of power Finally Mosley's nonfiction which persuades his audience to act through writing humanitarian efforts or social uprising offers a mix of lessons aimed at guiding readers through the same questions that inform his fiction writing
