Who's who in the Midwest ,1972 **Choice** ,1984 [Bringing It All Back Home](#) Philip F. Napoli, 2025-09-23 Featured in the NY Emmy nominated documentary New York City's Vietnam Veterans CUNY TV A collection of heartrending oral histories that topples assumptions about the people who served in Vietnam The Vietnam War was a defining event for a generation of Americans But for years misguided and sometimes demeaning clichés about its veterans have proliferated widely Philip F Napoli's Bringing It All Back Home strips away the myths and reveals the complex individuals who served in Southeast Asia Napoli was one of the chief researchers for Tom Brokaw's The Greatest Generation and in the spirit of that enterprise his oral histories recast our understanding of a war and its legacy Napoli introduces a remarkable group of young New Yorkers who went abroad with high hopes only to find a bewildering conflict We meet a nurse who staged a hunger strike to promote peace while working at a field hospital a paratrooper whose experiences on the battlefield left him with emotional scars that led to violence and homelessness a black soldier who achieved an unexpected camaraderie with his fellow servicemen in racially tense times and a university administrator who helped to create New York City's Vietnam Veterans Memorial Some of Napoli's soldiers became active opponents of the war others did not But all returned with a powerful urge to understand the death and destruction they had seen Overcoming adversity a great many would go on to lead ambitious lives of public service Tracing their journeys from the streets of Brooklyn and Queens to the banks of the Mekong and back to the most glamorous corporations and meanest homeless shelters of New York City Napoli reveals the variety and surprising vibrancy of the ex soldiers experiences For almost everyone the time in Vietnam was the most exciting and the most alive time of your life one veteran recalls He adds I still have this little trick When I lie down and go to sleep if there's something bothering me I say You're warm you're dry and there is no one shooting at you

The Apology the United States Owes the Vietnam Veterans Raymond C. Christian, 2019-07-16 The hottest war zone this country has ever been in was being fought by eighteen and nineteen year boys you can call them men if you want Since I was once a soldier and later an officer I must point out the facts of being a teenager and being a man Most of them enlisted and many were drafted to go fight the war in Vietnam While the United States of America was being defended planes began to return to the states loaded down with the bodies of these young eighteen and nineteen year old soldiers in body bags If you are not knowledgeable about the Institute of Medicine IOM You would think it is the Veterans Administration VA fault why the Vietnam Veterans have not gotten their benefits I would advise you to continue reading Then I want you to ask the

question why nongovernmental researchers are being hired to do the research on Agent Orange I also want you to know the Institute of Medicine IOM is no longer under the same name They have the same function but a new name called the Health Medicine Division which is also nongovernmental As concerned citizens we must ask the question of why nongovernmental agencies are being allowed to research Agent Orange I am certain the results will not shock you as to why the VA is not able to advance the Vietnam Veterans benefits because they are receiving their reports from the HMD stating there is no correlation with Agent Orange to the sickness the Vietnam Veterans have The VA gets these reports every two years Another well kept secret is the number of agents used in Vietnam While many of you think there was just Agent Orange My research shows it was a total of six different agents used
