**Play It On My Radio** Giselle Renarde, 1901 Join award winning queer Canadian author Giselle Renarde for a year's worth of music and memories As we listen to songs from a variety of genres Giselle shares anecdotes about growing up in the 80s being a teen of the 90s and listening to the radio on those long and lonely nights in her first apartment Accompany Giselle on a musical journey as she revisits the days of her youth through song From the introduction to Play It On My Radio My name is Giselle and I'm your new best friend Well maybe not best friend A best friend usually listens in addition to talking but that's not me What I will do is be here every day to share whichever song pops into my head Why What's the point Well here's the thing I'm a writer It's a pretty lonely job Over the years I've become increasingly socially isolated and you know what It sucks It sucks bad The truth of the matter is that a lot of us are socially isolated these days And not just older people younger ones too There are friendly visitor programs for seniors but those of us under 65 are kind of lost at sea I speak from experience If you need a no pressure visit every day let me be your friendly visitor I'll bring a song whichever song pops into my head gets stuck in my head or seems relevant to something that day As a person with chronic depression music has helped me more than anything It's magic I swear I hope my little musical visits will give you something to look forward to every day because they'll certainly do that for me ReFocus: The Films of Xavier Dolan Lafontaine Andree

Lafontaine, 2019-07-29 Ever since his first feature film *I Killed My Mother* premiered at Cannes every film from the 29 year old director Xavier Dolan has generated significant critical interest A recipient of numerous awards Dolan has recently taken his career to an international level with *The Death and Life of John F. Donovan* As the first book length study about Dolan with case studies of key films like *Mommy* 2014 *Tom at the Farm* 2013 and *It's Only the End of the World* 2016 this volume explores the global reach of small national and subnational cinemas In particular it uses Dolan's cinema as a departure point to reconsider the position of Quebec film and cultural imaginary within a global cinematic culture as well as the intersections between national millennial and queer filmmaking Adaptation, Intermediality and the British Celebrity Biopic Márta

Minier, Maddalena Pennacchia, 2016-03-23 Beginning with the premise that the biopic is a form of adaptation and an example of intermediality this collection examines the multiplicity of source texts and the convergence of different media in this genre alongside the concurrent issues of fidelity and authenticity that accompany this form The contributors focus on big and small screen biopics of British celebrities from the late twentieth and twenty first centuries attending to their myth making and myth breaking potential Related topics are the contemporary British biopic's participation in the production and consumption of celebrated lives and the biopic's generic fluidity and hybridity as evidenced in its relationship to such forms as the biodocumentary Offering case studies of film biographies of literary and cultural icons including Elizabeth I Elizabeth II Diana Princess of Wales John Lennon Shakespeare Jane Austen Beau Brummel Carrington and Beatrix Potter the essays address how British identity and heritage are interrogated in the re-telling and showing of these lives and how the reimagining of

famous lives for the screen is influenced by recent processes of manufacturing celebrity      **Reading Heresy** Gregory Erickson, Bernard Schweizer, 2017-11-20 Heresy studies is a new interdisciplinary supra religious and humanist field of study that focuses on borderlands of dogma probes the intersections between orthodoxy and heterodoxy and explores the realms of dissent in religion art and literature Free from confessional agendas and tolerant of both religious and non religious perspectives heresy studies fulfill an important gap in scholarly inquiry and artistic production Divided into four parts the volume explores intersections between heresy and modern literature it discusses intricacies of medieval heresies it analyzes issues of heresy in contemporary theology and it demonstrates how heresy operates as an artistic stimulant Rather than treating matters of heresy blasphemy unbelief dissent and non conformism as subjects to be shunned or naively championed the essays in this collection chart a middle course energized by the dynamics of heterodoxy dissent and provocation yet shining a critical light on both the challenges and the revelations of disruptive kinds of thinking and acting      The Definitive Desert Island Discs Ian Gittins, 2022-11-03 Eight tracks Endless stories Allow yourself to be cast away in eight glorious decades of the most iconic show on radio To mark this momentous occasion The Definitive Desert Island Discs focuses on 80 of the most powerful and unforgettable interviews revisiting every era of Desert Island Discs storied history Reflecting on how times have changed the book will feature brand new material as castaways are interviewed about their experiences did the conversation go how they expected Would Sir Patrick Stewart still take his beloved billiards table and a shed to keep it in of course And does Hilary Devey stick by her endless supply of Cointreau Get lost in lists of the weirdest and most wonderful luxury items most popular tracks and books throughout the years and more Introduced by Lauren Laverne The Definitive Desert Island Discs is a must have gem celebrating an incredible institution that has captured the hearts of a nation for 80 years      *Cinema of Pain* Liz Czach, André Loiselle, 2020-07-29 Since the defeat of the pro sovereigntists in the 1995 Quebec referendum the loss of a cohesive nationalistic vision in the province has led many Québécois to use their ancestral origins to inject meaning into their everyday lives A Cinema of Pain argues that this phenomenon is observable in a pervasive sense of nostalgia in Quebec culture and is especially present in the province's vibrant but deeply wistful cinema In Québécois cinema nostalgia not only denotes a sentimental longing for the bucolic pleasures of bygone French Canadian traditions but as this edited collection suggests it evokes the etymological sense of the term which underscores the element of pain algos associated with the longing for a return home nostos Whether it is in grandiloquent historical melodramas such as *Saphin un homme et son pch Binam* 2002 intimate realist dramas like *Tout ce que tu possèdes* 2012 charming art films like *C.R.A.Z.Y.* Vallée 2005 or even gory horror movies like *Sur le Seuil* Tessier 2003 the contemporary Québécois screen projects an image of shared suffering that unites the nation through a melancholy search for home      **George Michael** James Gavin, 2022-06-28 In George Michael A Life Gavin's engrossing biography of the singer takes the measure of a gifted tragic and infuriating man New York Times Book Review George Michael was an extravagantly gifted openhearted soul singer

whose work was both pained and smolderingly erotic He was a songwriter of true craft and substance and his music swept the world starting in the mid 1980s His fabricated image that of a hypermacho sex god loomed large in the pop culture of his day It also hid for a time the secret he fought against revealing Michael was gay Soon his obsession with fame would start to backfire As one of the industry's most privileged yet tortured men began to self destruct the press showed little sympathy George Michael *A Life* explores the compelling story of a superstar whose struggles as well as his songs continue to touch fans all over the world Acclaimed music biographer James Gavin traces Michael's metamorphosis from the shy and awkward Georgios Kyriacos Panayiotou into the swaggering dominant half of the leading British pop duo of the 1980s Wham He then details Michael's sensational solo career and its subsequent unraveling With deep analysis of the creative process behind Michael's albums tours and music videos as well as interviews with hundreds of his friends and colleagues *George Michael A Life* is a probing definitive portrait of a pop legend [BBC Proms 2014: The Official Guide](#) BBC,2014-04-24 Whether you're a first time visitor or an experienced Prommer plan your summer through the 2014 BBC Proms season with the official Proms Guide Contains brand new articles on featured composers insights on performers new music and Proms Plus events introduction to the season from Roger Wright Director of the BBC Proms and Controller of BBC Radio 3 full listings for every concert and event repertoire performers time location ticket and broadcast information details on how to book tickets free season calendar to see all the concerts at a glance With beautiful photographs and images throughout this official Proms Guide is the most comprehensive way to plan your summer's Proms visiting watching and listening The BBC Proms is the world's biggest and longest running classical music festival and features many of the greatest artists and orchestras from the UK and around the world in over 80 concerts at the Royal Albert Hall and Cadogan Hall There are also daily free Proms Plus talks workshops performances and family events **Keyboard for Commercial Music Production** Andy Villemez,2024-11-25 This is a comprehensive guide designed to build foundational keyboard skills for musicians pursuing careers in the commercial music industry It provides a well rounded approach focusing on music reading keyboard technique music theory harmonization aural skills and creativity for people whose secondary instrument is the piano The book features six units that integrate practical and creative objectives including fluency in reading music scores chord charts and lead sheets as well as the ability to play and arrange with confidence Whether you're composing arranging or performing musicians will work more efficiently with DAWs digital audio workstation software while also enhancing their understanding of chords progressions and harmonization Special features include prompts to encourage reflective practice real world applications and exercises in diverse styles such as classical pop funk and R B Students and working professionals will be able to perform with fluency using the Nashville Number System compose with a professional sound and customize their practice routines for long term growth This is a versatile resource for both individual learners private lessons and group piano instruction [Encyclopedia of Classic Rock](#) David Luhrssen,Michael Larson,2017-02-24 Examining one of the most
