Rhetorica Movet Heinrich Franz Plett, Peter Lothar Oesterreich, Thomas O. Sloane, 1999 This collection of articles in English and German covers a wide range of interdisciplinary topics of historical and modern manifestations of rhetoric in literature linguistics philosophy law theology education politics and intellectual history

The Russian Orthodox Church Jane Ellis, 2024-11-26 The Russian Orthodox Church 1986 concentrates on the recent history of the church examining the situation of Russian Orthodox believers in the Soviet Union It demonstrates that freedom of religion did not exist in the Soviet Union although the church remained a vigorous and potent force in Soviet society which the authorities were unable to ignore

Literary Magazines and British Romanticism Mark Parker, 2001-02-22 In this study Mark Parker proposes that literary magazines should be an object of study in their own right He argues that magazines such as the London Magazine Blackwood's Edinburgh Magazine and the New Monthly Magazine offered an innovative and collaborative space for writers and their work indeed magazines became one of the pre eminent literary forms of the 1820s and 1830s Examining the dynamic relationship between literature and culture which evolved within this context Literary Magazines and British Romanticism claims that writing in such a setting enters into a variety of alliances with other contributions and with ongoing institutional concerns that give subtle inflection to its meaning The book provides an extended treatment of Lamb's Elia Essays Hazlitt's Table Talk Essays Noctes Ambrosianae and Carlyle's Sartor Resartus in their original contexts and should be of interest to scholars of cultural and literary studies as well as Romanticists

Information Retrieval Technology Buren Zheng, 2010 The Asia Information Retrieval Societies Conference AIRS 2010 was the sixth conference in the AIRS series aiming to bring together international researchers and developers to exchange new ideas and the latest results in information retrieval The scope of the conference encompassed the theory and practice of all aspects of information retrieval in text audio image video and multimedia data AIRS 2010 continued the conference series that grew from the Information Retrieval with Asian Languages IRAL workshop series started in 1996 It has become a mature venue for information retrieval work nding support from the ACM Special Interest Group on Information Retrieval SIGIR the Association for Computational Linguistics and Chinese Language Processing ACLCLP ROCLING and the Information Processing Society of Japan Special Interest Group on Information Fundamentals and Access Technologies IPSJSIG IFAT This year saw a sharp rise in the number of submissions over the previous year A total of 120 papers were submitted representing work by academics and practitioners not only from Asia but also from Australia Europe North America etc The high quality of the work made it difficult for the dedicated program committee to decide which papers to feature at the conference Through a double blind reviewing process 26 submissions 21% were accepted as full oral papers and 31 25% were accepted as short posters The success of this conference was only possible with the support of all of the authors who submitted papers for review the program committee members who constructively assessed the submissions and the registered conference delegates We thank

them for their support of this conference and for their long term support of this Asian centric venue for IR research and development □□ □□□,2018-12-01 *Miscellaneous Series* ,1913 **Abraham Kuyper** Tjitze Kuipers,2011-09-23 The Kuyper bibliography is the first overview of his publications from his first one to the 2010 editions After some introducing paragraphs the bibliography presents items in chronological order Each item contains bibliographical data and information on contents and context Inside Book Publishing Angus Phillips,Giles Clark,2019-08-09 Now fully revised and updated for its sixth edition Inside Book Publishing is the classic introduction to the book publishing industry Giles Clark and Angus Phillips offer authoritative coverage of all sectors of the industry from commercial fiction and non fiction to educational publishing and academic journals They reveal how publishers continue to adapt to a fast changing and highly interconnected world in which printed books have proved resilient alongside ebooks and the growth of audio Major themes are explored including the development of digital products and the use of social media in book marketing as well as those that affect publishers businesses such as the rise of internet retailing rental models for student textbooks and open access where academic content is free to the user Case studies from industry experts give fascinating perspectives on topics such as crowdfunding self publishing and how authors can market themselves The book provides excellent overviews of the main aspects of the publishing process commissioning authors product development design and production marketing sales and distribution As a manual for those in the profession and a guide for the potential publishers of the future Inside Book Publishing remains a seminal work for anyone with an interest in the industry It will also be of interest to authors seeking an insider s view of this exciting industry **Windows Script Host** Tim Hill,1999 A technical expert offers critical information on using the scripting tool that is native to Windows NT 2000 and designed to automate Windows applications and administrative tasks **Hearings** United States.
