

My Summer Vacation

My Summer Vacation My summer vacation was really fun and I enjoyed every minute of it. The first day of my Summer vacation was boring, but I knew it would be because it was the first day. I spent Almost my entire summer vacation with Astrid and my cousin as well as my family. The first thing I wanted to do was to go to the beach. I ended up going to the beach, but it Was when Tania invited me to come out of a video for her fifteen and I of course I said Yes. As well as Astrid did too. I was really excited that I was finally going to the beach. When we got there the first thing I saw was the beautiful ocean.

I wanted to get out of the Car already so that I could smell the fresh air of the ocean. But when I got out of the car it turned out that it was really cold and I was freezing. I had a great time though because I spend the day with my friends and I finally went to the beach. I also did lots of Shopping this past summer vacation. So there was a day that I decided that I was going to Go the mall and buy clothes. I called Astrid and said, "Hey Astrid lets go to the Mall" and she agreed on coming with me. Well then after a few weeks I went to the Movies with my sister and my cousins, we watched Green Lantern.

And after a few more Days I went to the movies again but this time I saw three movies which were: Sucker Punch, Soul Sulfur, and Scream 4. There was a day where I really wanted to go bowling. But I had no idea who would I go with and who would take me . Then I called Astrid and Asked her if she wanted to go and later that day we went bowling and I was really happy Afterward. I had sleepovers with Astrid and my cousins and we would talk about so Many things. Then my cousin invited me to a party that I was really excited about. I also went swimming at my mom's friend house; I enjoyed having the water on my face.

While we were in the pool we played some volleyball, but I really wasn't good at it so Team eventually lost and they weren't very happy with that. When we got out from the Pool we went to see some movies with some chips and sodas. This summer was the best Summer vacation I ever had. I did so many things that I thought I wouldn't do, but I did And I am very happy about that. My was goal was to have the best summer vacation and I achieved my goal. I had so many experiences and achievements. I hope I have another Great summer vacation that I won't forget.

The American Essay in the American Century Ned

Stuckey-French, 2011-05-31 In modern culture the essay is often considered an old fashioned unoriginal form of literary styling The word essay brings to mind the uninspired five paragraph theme taught in schools around the country or the antiquated Edwardian meanderings of English gentlemen rattling on about art and old books These connotations exist despite the fact that Americans have been reading and enjoying personal essays in popular magazines for decades engaging with a multitude of ideas through this short form means of expression To defend the essay that misunderstood staple of first year composition courses Ned Stuckey French has written The American Essay in the American Century This book uncovers the buried history of the American personal essay and reveals how it played a significant role in twentieth century cultural history In the early 1900s writers and critics debated the death of the essay claiming it was too traditional to survive the era s growing commercialism labeling it a bastion of British upper class conventions Yet in that period the essay blossomed into a cultural force as a new group of writers composed essays that responded to the concerns of America s expanding cosmopolitan readership These essays would spark the magazine revolution giving a fresh voice to the ascendant middle class of the young century With extensive research and a cultural context Stuckey French describes the many reasons essays grew in appeal and importance for Americans He also explores the rise of E B White considered by many the greatest American essayist of the first half of the twentieth century whose prowess was overshadowed by his success in other fields of writing White s work introduced a new voice creating an American essay that melded seriousness and political resolve with humor and self deprecation This book is one of the first to consider and reflect on the contributions of E B White to the personal essay tradition and American culture more generally The American Essay in the American Century is a compelling highly readable book that illuminates the history of a secretly beloved literary genre A work that will appeal to fiction readers scholars and students alike this book offers fundamental insight into modern American literary history and the intersections of literature culture and class through the personal essay This thoroughly researched volume dismisses once and for all the death of the essay proving that the essay will remain relevant for a very long time to come
