

Appreciation Letter Template

To,
Mr. /Ms. _____
New York

4th September 2018

Sub: Appreciation for your remarkable contribution to the project

Dear Mr. / Ms. _____,

I would like to thank you for your outstanding contribution in the _____ project. You had been an amazing team leader, who was diligent and hard-working. Your co-workers have been praising you for all the creative work. You truly were able to think out of the box.

Your dedication to work is resulting in increased output for the company, which is increasing the client base. We expect to grow in the future if you deliver the same quality of work.

We are quite aware of the fact that you will grow and succeed in our company and within a year, we will be seeing you as a leader on major projects of the company.

Thanking you,
Mr. _____
Head of Sales Department

Gentle Measures in the Management and Training of the Young Jacob Abbott,2015-02-10 Originally published in 1871

this work is a parenting manual by American author Jacob Abbott He produced many works most notably his Rollo series which aimed to instruct young people in moral virtues as well as to keep them entertained This publication however is a non fiction work that outlines his methods of successful parenting We are republishing this work with a brand new introductory biography of the author Here is a short extract from the opening chapter It is not impossible that in the minds of some persons the idea of employing gentle measures in the management and training of children may seem to imply the abandonment of the principle of authority as the basis of the parental government and the substitution of some weak and inefficient system of artifice and manoeuvring in its place To suppose that the object of this work is to aid in effecting such a substitution as that is entirely to mistake its nature and design The only government of the parent over the child that is worthy of the name is one of authority complete absolute unquestioned authority The object of this work is accordingly not to show how the gentle methods which will be brought to view can be employed as a substitute for such authority but how they can be made to aid in establishing and maintaining it
