Date: _____

Dear Parent/Guardian:

Your child has missed the following days of school for illness:

_____ Five (5) consecutive days without communication with building administrator

_____ Ten (10) or more days for illness this school year

Since your child has missed either five consecutive days or ten or more days due to illness, it will be necessary to have a note from your child's doctor for each additional day of illness. The doctor's note should include the following information:

- Reason your child was out of school
- Dates your child was unable to attend for illness
- Signature of doctor who verified the illness
- Doctor notes that only verify a clinic visit will be considered for two (2) hours of excused time.

Attached is a form that allows your doctor to provide the above information to your child's school. Please return the yellow copy to the school office within five (5) business days, keep the pink copy for your records, and provide the white copy to your doctor.

The Building Administrator and School Nurse will set up an appropriate plan to support your child's health needs in the case of a specific illness or chronic health condition. We would like to assist in helping your child in this area.

Sincerely,

Building Administrator
