Saunterings In And About London

John Parker Anderson

Saunterings In And About London:

Saunterings in and about London Max Schlesinger, 2021-05-19 In *Saunterings in and about London* Max Schlesinger presents a captivating exploration of London's streets, neighborhoods, and cultural milieu in the mid 19th century. Imbued with vivid descriptions and a keen sense of observation, Schlesinger's literary style combines picturesque prose with a touch of romanticism, inviting readers on a leisurely stroll through both the city's bustling life and its quieter corners. The work serves as both a travelogue and a reflective meditation, offering insights into the social dynamics and urban landscapes of a city grappling with rapid modernization while also delving into themes of identity and place. Max Schlesinger, a journalist and urban observer, was profoundly influenced by his European upbringing and keen interest in the civilizations he encountered. His experiences navigating the streets of London during a period of great change inspired him to craft this insightful narrative. Schlesinger's background in literature and journalism provided him with the tools to articulate the complexities of urban life, making his work a pivotal contribution to the genre of literary travel writing. For those intrigued by the transformative power of cities and the rich tapestry of human experience, *Saunterings in and about London* is an essential read. It not only captures the essence of a bygone era but also resonates with contemporary readers seeking to understand the intricate relationship between individuals and their urban environments.

Saunterings in and about London Max Schlesinger, 2014-08-14 Prefaces generally speaking are pleadings in which authors, anticipating public censure and well knowing how richly they deserve it, adduce sundry reasons why their books are not shorter or longer and altogether different from the volumes which then and there they bring into the market. I need not make any such excuses for I did not write for an English public nor did I ever pretend to popularity in England. The SAUNTERINGS were intended for the profit and amusement of my German countrymen and I must say I was not a little pleased and surprised with the very flattering reception which my book experienced at the hands of the English critics. Their favourable opinion which they so emphatically and I am selfish enough to go the whole length of the word so ably expressed has probably caused the production of the book in an English dress. The critics therefore must bear the responsibility if the general public should happen to condemn these *Saunterings* as weary, stale, flat, and unprofitable and shelve them accordingly. MAX SCHLESINGER London October 1853

Saunterings in London Leopold Wagner, 1928 *Saunterings in and About London (Classic Reprint)* Max Schlesinger, 2018-01-18 Excerpt from *Saunterings in and About London*. And surprised with the very flattering reception which my book experienced at the hands of the English critics. Their favourable opinion which they so emphatically and I am selfish enough to go the whole length of the word so ably expressed has probably caused the production of the book in an English dress. The critics therefore must bear the responsibility if the general public should happen to condemn these *Saunterings* as weary, stale, flat, and unprofitable and shelve them accordingly. The English edition by O. Wenckstern Max SCHLESINGER, Otto von Wenckstern, 1853 *SAUNTERINGS IN & ABOUT LONDON* Max 1822-1881 Schlesinger, Otto Von Wenckstern, 2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Saunterings in and About London** ,2020-02-18 **Saunterings** Charles Dudley Warner, 2019-12-18 In *Saunterings* Charles Dudley Warner presents a delightful collection of essays that capture the essence of 19th century American life through a lens of natural beauty and social commentary His prose is characterized by a graceful blend of humor introspection and keen observations inviting readers into the author's contemplative strolls through parks cities and the rural landscape Set against the backdrop of a rapidly industrializing America Warner's work reflects a profound appreciation for nature and the simple joys of life while subtly critiquing societal norms and the human condition Charles Dudley Warner a contemporary of Mark Twain and an influential figure in American literature drew inspiration from his own travels and experiences As a journalist and editor Warner was keenly aware of the social changes taking place in the United States during his time His friendships with notable literary figures combined with his passion for nature and philosophical musings led him to craft *Saunterings* as both a personal exploration and a commentary on the American spirit This book is recommended for readers who appreciate essays that intertwine nature and society as well as those looking to explore the literary voices that shaped American thought Warner's eloquent prose and thoughtful reflections make *Saunterings* a timeless work that encourages readers to embrace the art of leisure and the beauty of their surroundings **London In The Nineteenth Century** Jerry White, 2011-06-08 Jerry White's *London in the Nineteenth Century* is the richest and most absorbing account of the city's greatest century by its leading expert London in the nineteenth century was the greatest city mankind had ever seen Its growth was stupendous Its wealth was dazzling Its horrors shocked the world

This was the London of Blake Thackeray and Mayhew of Nash Faraday and Disraeli Most of all it was the London of Dickens As William Blake put it London was a Human awful wonder of God In Jerry White s dazzling history we witness the city s unparalleled metamorphosis over the course of the century through the daily lives of its inhabitants We see how Londoners worked played and adapted to the demands of the metropolis during this century of dizzying change The result is a panorama teeming with life

A Dictionary of Victorian London Lee Jackson,2006-08-01 A wonderful A Z of the fascinating world of Victorian London full of amazing facts and curious humour *The London catalogue of books published in Great Britain, 1831 to 1855 [compiled by T. Hodgson].* London catalogue,1855 **London of To-Day** ,1885 *Catalogue Calcutta* (India). Imperial library,1904

Nineteenth-Century Interiors Clive Edwards,2023-12-05 This volume of primary source materials documents the nature of the home and the theories and discussions around the concept It examines the class divisions that become evident with the ostentatious lifestyles of political and society hostesses at the peak whilst middle class housing often in suburbia seemed to have created a separation of home and work arguably suggesting men and women lived in separate spheres Working class interiors often seen the eyes of middle class observers were at the bottom of the hierarchy and often reflected concerns of social inequality and misery The documents also address the process of purchasing and decorating a home advice on decoration and home management the nature of taste and comfort and the symbolic roles of the home as an anchor in society Accompanied by extensive editorial commentary this collection will be of great interest to students and scholars of art history

Subject-index to the author-catalogue. 1908-10. 2 v Imperial Library, Calcutta,1908
