Prezi

A fantastic tool to liven up presentations, Prezi does away with traditional, crowded slides by allowing you to zoom in and out, so you can create an entire presentation on one slide and guide your audience through it step-by-step. Zoom in to the details, but zoom out to show how your ideas fit together as a whole.

Edmodo

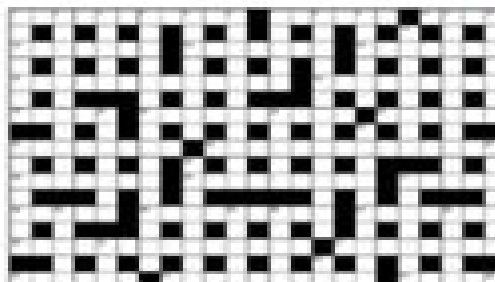

Edmodo turns your classroom into an online community by providing you with a secure online social learning environment. Imagine Facebook for the classroom and you're almost there. You can securely add your students and colleagues and upload and share assignments and responses with them online.

That Quiz

A great, simple-to-use online tool for creating your own quizzes on the topics your students are working on. Or you can take advantage of thousands of great educational quizzes already uploaded. It offers great flexibility, with the opportunity to select the number of questions, time allowed and more.

Crossword Puzzle Maker

A fantastic, fun resource to engage your class; particularly useful with language, vocabulary and spelling or complex definitions for subjects like science. You simply type in the clues and solutions and the program does the rest, magically producing a fun crossword puzzle for your students!
