

# Social Studies SBA Guideline

---

## Format

- ✓ Each section must be done on one page.
- ✓ Each section must be double-spaced.
- ✓ Font size is 12 inches.

## Completed Sections

- ✓ Statement of the Problem
- ✓ Reason for the Topic
- ✓ Method of Investigation
- ✓ Procedures Used to Collect Data
- ✓ Instrument Used to Collect Data
- ✓ Procedures Used to Collect Data

## Presentation of Data

- ☐ Present data as you were told on your excel sheet.
- ☐ Begin this section by stating how many surveys you received and how many you gave out. Then proceed to graphs.
- ☐ Use the checklist to make sure you have all the requirements for tables and graphs.
- ☐ Remember descriptions should not be a summary or analysis. STATE EXACTLY WHAT YOU SEE.
  - See Sample PD1 for Word Document
  - See Sample PD2 for assistance with Excel
- ☐ Titles of tables should begin Table 1. Titles of bar graphs, line graphs, and pie charts should begin Figure 1, Figure 2, and Figure 3.

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                       |
