Wright, Scott Sikes, 2025-02-10 The decline this century in church attendance has been pronounced And polls show disconcerting ignorance about religious matters even among churchgoers Is there a path to spiritual and church renewal And what will become the shape of American Christianity this century As an accompanying volume to James M Dawsey s Handbook for the Christian Faith this workbook offers a summary of essential beliefs and practices of the faith identifies significant terms names dates and events in church history lists themes and materials to be learned provides exercises and suggests additional readings to enhance understanding The materials will prove of interest to all wanting to understand the role played by Christianity in western culture and to decipher the chaos of present day American Christianity But the Study Guide and Workbook for Spiritual and Church Renewal will be especially useful to Christians working through the Handbook for the Christian Faith reflecting more deeply on the meaning of the Christian heritage and seeking to discern a right path for contemporary Christianity The exercises in this workbook extend beyond understanding Christianity as a religion to readers better understanding themselves as Christians How shall we be faithful followers of Christ      No God but God Geneive Abdo, 2002-10-24 Shrouded in mystery the Islamic presence in the Middle East evokes longstanding Western fears of terrorism and holy war Our media have consistently focused on these extremes of Islam overlooking a quiet yet pervasive religious movement that is now transforming the nation of Egypt Drawing on hundreds of interviews No God But God opens up previously inaccessible segments of Egyptian society from the universities and professional sectors to the streets to illustrate the deep penetration of Popular Islamic influence Abdo provides a firsthand account of this peaceful movement allowing its moderate leaders street preachers scholars doctors lawyers men and women of all social classes to speak for themselves Challenging Western stereotypes she finds that this growing number of Islamists do not seek the violent overthrow of the government or a return to a medieval age Instead they believe their religious values are compatible with the demands of the modern world They are working within and beyond the secular framework of the nation to gradually create a new society based on Islamic principles Abdo narrates fascinating accounts of their methods and successes Today for example university students meet in underground unions despite a state ban In addition sheikhs have recently used their new legislative power to censor books and movies deemed to violate religious values Both fascinating and unsettling Abdo s findings identify a grassroots model for transforming a secular nation state to an Islamic social order that will likely inspire other Muslim nations This model cannot be ignored for it will soon help organized Islamists to undermine secular control of Egypt and potentially jeopardize Western interests in the Arab world

**Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups** Richard Sogunle, 2022-08-01 In my many years of attending Bible study I have found that many who attend barely grow beyond the level of being fed the word of God Many are stocked in the level of milk without the capacity to handle the solid word of God The aptitude and zeal to understand and rightly share the word of God is absent in the greater percentage of church attendees today Every good shepherd desires that their flocks grow in their spiritual muscle and be able to stand anywhere and anytime on their faith feet without being tossed to and fro with every wind of doctrine However due to various environmental and organizational challenges a small group Bible study setting may be lacking in many churches The members may attend worship services on Sunday and other times and listen to the pastor's sermon day after day but never have the opportunity to contribute their God-given ideas or ask questions that could strengthen their courage to share their faith with understanding This book is designed to challenge believers in reading a passage of the scripture and equip them with spiritual warfare weapons in memory verse during each Bible study session The individual will have the opportunity to learn and discuss the weekly topic and questions that follow every introduction to the topic The study guide is simply arranged to enable any believer or group of believers and families to use in any Bible study group setting The study guide discusses various topics with supporting scriptural references to equip participants with practical knowledge and applications to their daily Christian living Bible Study Guide for Churches Small House Fellowships and Discussion Groups is a must-have handbook for pastors leaders of various Christian fellowship groups and believers that will love to grow in their Christian walk

**Im Waiting, God - Women's Bible Study Guide with Leader Helps** Barb Roose, 2019-09-17 Find help and hope for times when it's hard to wait on God Do you ever feel like God is taking too long to answer your prayers Have you ever taken matters into your own hands only to discover that you've made the situation worse Waiting on God challenges our faith when the bills are stacking up our families are falling apart or our dreams feel like they won't come true We know that God hears our prayers but it's hard when the clock is ticking yet He hasn't shown us the answer In this four-week Bible study Barb Roose invites us to explore the stories of women in the Bible who had to wait on

God women such as Hannah Ruth Tamar and the unnamed woman who suffered for over a decade with a painful medical condition. If you've felt anxious, angry, discouraged, or depressed because God isn't giving you what you want, their stories will breathe fresh hope and practical next steps in your life. As a reforming control lover, Barb mixes in her personal stories of learning how to wait for God during long seasons of unanswered prayers, family difficulties, and challenging times in ministry. Together we will discover that there is goodness and blessing to be found in times of waiting, including a closer relationship with God than we've ever dared to dream. Other components for the Bible study available separately include a DVD. Barb Roose tackles the topic of patience in a way that really hit home for me personally. I have a lot of why, how, and when questions for God. Combining in-depth Scripture study with practical tools and personal stories, this study is one of the best I've ever read. Melissa Spoelstra, Bible teacher, speaker, and author of *Romans Good News That Changes Everything* and numerous other Bible studies and books. When waiting is hard and long, the last thing you need is someone disregarding your pain with platitudes like "just push through." In *I'm Waiting God*, Barb walks with us in our waiting. Warm, tender, and a help for moving forward, Barb's study has left me stronger, knowing I can wait so His glory is seen. Lynn Cowell, author of *Make Your Move* and member of the Proverbs 31 Ministries, speaker and writer team. Barb Roose is a wonderful role model of walking out biblical truth while in life's waiting room. This study is a must-read for anyone wondering what to do while waiting and wanting to stay close to God in the meantime. *Connect the Dots Bible Study Guide* Pamela Cloonan, 2007-02. This study draws a picture of the Father's heart by tying together the fundamental scriptures of Christian faith. Cloonan provides a shortcut for readers who hunger for insight into the heart of God. Christian **Gospel Coach** Scott Thomas, Tom Wood, 2012-05-08. In order to help pastors and other Christian leaders to lovingly lead God's flock to Jesus Christ and into God's mission, Scott Thomas and Tom Wood clarify a process of coaching and shepherding that is rooted in the patterns of the Good Shepherd himself, a process in which leaders stir up the gifts, passion, and calling upon others' lives. This book addresses the needs of the leader, his or her sinful tendencies, and church leadership issues. It directs the leader to the person and work of Jesus. It provides a system to intentionally shepherd leaders to glorify God in their personal spiritual and missional lives. Many ministry leaders serving in churches find themselves overwhelmed, disillusioned, and depressed by the enormous and challenging task of leading and ministering in a congregation. As a result, the ministry suffers; the leaders suffer; and the result is often an unhealthy church existent with little or no Gospel influence. These leaders need someone to shepherd their soul so that they can lead others to the Chief Shepherd.

Jesus Christ We suggest that coaching for the church leader looks less like corporate consulting or humanistic psychology and more like biblical shepherding We suggest that every church leader needs a Gospel Coach to come alongside with words of truth wisdom and experience to encourage admonish comfort and help words drawn from Scripture and godly wisdom grounded in the gracious saving work of Jesus Christ and presented in the context of a trusting relationship Gospel Coaching is an intentional relationship to skillfully care for others with four ancient shepherding principles 1 Know the sheep 2 Feed the sheep 3 Lead the sheep and 4 Protect the sheep A Gospel Coach both inquires about the personal spiritual and missional aspects of a ministry leader's life in a loving yet focused manner and also probes the church leader for compulsive unbelief or selfish motivation or disobedience and sin and leads the ministry leader back to the Gospel through belief repentance and obedience Churches that desire to be rich in a Gospel application toward their city their relationships with one another their communication and worship as well as their service will benefit to a greater degree by having their leaders being coached by a Gospel centered leader
