Not All Villains Are All Bad Carolyn Smith, 2015-01-08 In her second book of poetry Carolyn K Smith continues to explore varying themes of love loss and everyday life Smith delves deeper into the emotions of grief and loss after the deaths of loved ones and a shocking suicide by a close friend Smith acknowledges the power of grief that at times can render one speechless As seen in the poem Muted Grief with the opening lines I cannot find the mouth with which to speak the anguish and grief that I bear Like rotten fruit Yet in this grief there is hope that in time and with prayer it will wither into nothingness And even as she contends with loss and grieves in an ode to her mother in law Smith encourages to look beyond the grief and speak not of death but instead speak of memory filled days Each poem lays bare emotions as she does in In Exile and Transient as an immigrant living in an ever changing land with the call of home forever on the horizon I no longer chase Interspersed between the grief and loss are words of love and friendship Love is expressed in many different forms love for a mother a child a first romantic love Even a memory of love as in a chanced meeting in Crossing Paths where just a mere look conjures up images of warmth and the beauty of a smile causes one to be able to deal with grief when it comes in a more positive way And in The End there is acceptance that grief is just a part of life and life that has an end is but only another beginning The Village, The Parish Register, and Other Poems George Crabbe, 1838 Hemingway and Italy Mark

Wordsworth's later life and work and the impact of her disability allowing her to step out from her brother's shadow and back into her own life story Dorothy Wordsworth is well known as the author of the Alfoxden and Grasmere Journals 1798 1803 and as the sister of the English Romantic poet William Wordsworth She is widely praised for her nature writing and is often remembered as a woman of great physical vitality Less well known however is that Dorothy became seriously ill in 1829 and was mostly housebound for the last twenty years of her life Her personal letters and unpublished journals from this time

paint a portrait of a compassionate and creative woman who made her sickroom into a garden for herself and her pet robin and who finally grew to call herself a poet They also reveal how vital Dorothy was to her brother s success and the closeness they shared as siblings By re examining her life through the perspective of her illness this biography allows Dorothy Wordsworth to step out from her brother s shadow and back into her own life story *A Library of Poetry and Song* ,1874
