

## The Infantryman's Creed

I am the Infantry.

I am my country's strength in war, her deterrent in peace.

I am the heart of the fight... wherever, whenever.

I carry America's faith and honor against her enemies.

I am the Queen of Battle.

I am what my country expects me to be, the best trained Soldier  
in the world.

In the race for victory, I am swift, determined, and courageous,  
armed with a fierce will to win.

Never will I fail my country's trust.

Always I fight on...through the foe, to the objective, to triumph  
overall.

If necessary, I will fight to my death.

By my steadfast courage, I have won more than 200 years of  
freedom.

I yield not to weakness, to hunger, to cowardice, to fatigue, to  
superior odds,

For I am mentally tough, physically strong, and morally straight.

I forsake not, my country, my mission, my comrades, my sacred  
duty.

I am relentless.

I am always there, now and forever.

British 50th Northumbrian Division both saw long service and suffered heavy casualties and both encountered morale discipline and battlefield effectiveness problems In this illuminating comparative study of Australian and British divisions at war Allan Converse draws extensively on primary sources as well as recent scholarship on morale and combat efficiency His fresh approach questions the popular mythology surrounding the Australian Digger and the British Tommy and shows how it was a combination of leadership loyalty and tactics rather than intrinsic national qualities which resulted in victory for Churchill s armies

*Operation Postern* Ian Howie-Willis, 2024-01-03 Japanese troops seized and brutally occupied New Guinea s capital Lae for 18 months until 16 September 1943 That day Australian soldiers retook the town against fierce resistance Defeated and after suffering huge losses 8000 Japanese soldiers fled across the formidable 4000 metre mountains behind the town 2000 died on the nightmare trek In a groundbreaking publication independent professional historian Dr Ian Howie Willis unveils the untold story of Operation Postern and its significant impact on the Pacific War His latest book sheds light on the recapture of Lae the capital of New Guinea from Japanese forces on 16 September 1943 Through meticulous research Dr Howie Willis brings to life the heroic efforts of Australian soldiers the harrowing experiences of the Japanese retreat and the often overlooked plight of the Papua New Guinean village communities caught in the crossfire Japanese troops had seized and ruthlessly occupied Lae for 18 months until the fateful day of the Australian soldiers counteroffensive Despite fierce resistance the town was retaken forcing the Japanese to retreat across treacherous 4000 meter mountains behind the area Tragically 2000 Japanese soldiers lost their lives during this nightmarish trek Referred to as a turning point in the Pacific War Operation Postern shattered the Japanese belief that they could maintain control over the New Guinea mainland Their continual retreat paved the way for subsequent successful Allied campaigns in the South West Pacific theatre However victory came at a high cost with over 2000 casualties within a fortnight for the Allies while Japanese losses exceeded that number nearly fourfold The exact toll on the Papua New Guinean village people remains unknown but undoubtedly significant Dr Howie Willis challenges previous military histories that have marginalized the Papua New Guineans highlighting their essential role as the third party to the conflict By focusing on the village communities he illuminates the horrific impact of the war on their lands and lives offering a comprehensive and inclusive narrative Operation Postern provides readers with an opportunity to revisit and reinterpret this crucial battle that shaped the course of history Dr Howie Willis extensive knowledge and meticulous attention to detail make this book a valuable contribution to the understanding of the Pacific War

The Battle of Bardia Craig Stockings, 2011-07-01 On the morning of 3 January 1941 Australians of the 6th Division led an assault against the Italian colonial fortress village of Bardia in Libya not far from the Egyptian Libyan frontier The ensuing battle was the second of the First Libyan Campaign but the first battle of the Second World War planned and fought predominantly by Australians The fortress fell to the attackers a little over two days after the attack began in what could only be described as a remarkable victory At a cost of 130 killed and 326 wounded the 6th Division captured around 40 000 Italian prisoners and very large quantities of military stores and equipment The victory was heralded at the time in Australia as one of the greatest military achievements of that nation's military history Quite soon afterwards however overshadowed perhaps by Rommel's subsequent desert advances the tragedy in Greece and the war in the Pacific Bardia slipped from the public mind Very few Australians today have heard of the battle This book attempts to bring Bardia back into the light

Robert Menzies, A Life A. W. Martin, 1999-11-15 For each new generation of Australians the name Robert Gordon Menzies resounds across the political landscape No other federal politician this century can match his record period as Prime Minister from 1949 to 1966 Not one of us is untouched by his life and work This long awaited second volume of Allan Martin's unrivaled biography describes and analyses the flowering of policies and practices foretold in the first Beginning with the birth of the Liberal Party at the end of World War II it is the first detailed study of Menzies climb to power and of his post war strategies for the country and the world It ends with his death in 1978 mourned by many

as an irreplaceable leader and father figure The tumultuous years of the 1950s were echoed in Menzies own life His political acumen built on universal Cold War fears and his anti communist campaigns brought him into bitter conflict with H V Evatt Menzies frequent trips to the United States and Great Britain usually by sea and invariably in time for the Test cricket fuelled accusations of absenteeism Menzies lifelong devotion to all things British most notably the monarchy was rewarded towards the end of his life by investiture as a Knight of the Thistle and by his succeeding Winston Churchill as Lord Warden of the Cinque Ports The personal pleasure derived from his growing international stature cushioned to some degree his fall from power in domestic politics This volume completes a monumental contribution to Australian political biography For both scholars and ordinary Australians Allan Martin has sought to chronicle Menzies life and to judge what kind of a man he was and what sort of prime ministerial life he led

**Legacies of Violence** Robert Mason,2016-12-01 Whether in the form of warfare dispossession forced migration or social prejudice Australia s sense of nationhood was born from and continues to be defined by experiences of violence Legacies of Violence probes this brutal legacy through case studies that range from the colonial frontier to modern domestic spaces exploring themes of empathy isolation and Australians imagined place in the world Moving beyond the primacy that is typically accorded white accounts of violence contributors place particular emphasis on the experiences of those perceived to be on the social periphery repositioning them at the center of Australia s relationship to global events and debates

*A Soldier's Soldier* Jeffrey Grey,2013 Examines the career of one of the most influential figures in Australia s military history

**South Vietnamese Soldiers** Nathalie Huynh Chau Nguyen,2016-03-21 Published on the 40th anniversary of the end of the war in Vietnam this book brings to life the experiences and memories of South Vietnamese soldiers the forgotten combatants of this controversial conflict South Vietnam lost more than a quarter of a million soldiers in the Vietnam War yet the histories of these men and women are largely absent from the vast historiography of the conflict By focusing on oral histories related by 40 veterans from the former Republic of Vietnam Armed Forces this book breaks new ground shedding light on an essentially unexplored aspect of the war and giving voice to those who have been voiceless The experiences of these former soldiers are examined through detailed firsthand accounts that feature two generations and all branches of the service including the Women s Armed Forces Corps Readers will gain insight into the soldiers early lives their military service combat experiences and friendships forged in wartime They will also see how life became worse for most in the aftermath of the war as they experienced internment in communist prison camps discrimination against their families on political grounds and the dangers inherent in escaping Vietnam whether by sea or land Finally readers will learn how veterans who saw no choice but to leave their homeland succeeded in rebuilding their lives in new countries and cultures

To Salamaua Phillip Bradley,2010-07-29 Following on from his acclaimed book *The Battle for Wau* Phillip Bradley turns his attention to the Salamaua campaign the first of the New Guinea offensives by the Australian Army in the Second World War Opening with the pivotal air sea battle of the Bismarck Sea this important title

recounts the fierce land campaign that was fought for the ridges that guarded the Japanese base at Salamaua From Mount Tambu to Old Vickers and across the Francisco River the Australians and their American allies fought a desperate struggle to keep the Imperial Japanese Army diverted from the strategic prize of Lae To Salamaua covers the entire campaign in one volume for the first time From the strategic background of the campaign and the heated conflicts to the mud and blood of the front lines this is the extraordinary story      **Bardia** Craig Stockings,2009 Challenging in its perspective and controversial in its conclusions Bardia is a riveting account of the first large scale battle planned and fought by an Australian formation in World War II Book Jacket      *Australia 1943* Peter J. Dean,2013-09-27 Australia 1943 is the first detailed single volume study of Australia s military operations in the Pacific during 1943 Australia s finest hour in the Second World War It investigates critical operations from January 1943 to April 1944 including Salamaua Lae Nadzab Finschhafen Shaggy Ridge the Markham Valley and the Huon Peninsula      Mailing List (Infantry School (U.S.)) ,1985      **Diggers and Greeks** Maria Hill,2010 Little is known about the real reasons that Australia committed troops to Greece Australian historians have for too long neglected the Greek and Crete campaigns and what has been written until now has ignored the Greek side of the story      *Army* ,1966
