experience I know what's interesting and what's not, what's important to those who weren't there, ordinary people who merely wonder what it was like. I have enjoyed two successful careers and am currently embarked upon my third. I have fired most of life's best bullets, emptied most of my chosen weapons, most precious magazines drained, my fullest canteens exhausted, most of my allotted time on this fair planet we call earth. I want to share a few of the stories of men I served with, men I came to know later in life, men I loved as brothers in arms, surviving in harm's way, or men who were simply Crazy Vietnam Vets like me, with a special story to tell. Men JUST like me, only different. Ours are interesting up and down, tales of wonder and weird, of good times and bad. I am happily married to a seasoned school nurse, am the father of three college-educated sons, and have two fine grandsons. I live in Blanco, Texas, about forty miles due west of Austin. I have always viewed life's glass as half full.

Eastern Waves, Western Shores Chathuri Nugawela, 2011-11-17 Eastern Waves Western Shores is a novel based on the life of a Sri Lankan woman who comes to study in England and then moves back to Sri Lanka and struggles fitting back in. The expectation of the elders of society in general, cultural norms, and the demands on a modern-day career woman overwhelm her. She is torn between her loyalty to her family and the dreams she has for herself. It is a book about a looming arranged marriage, the yearning of a young woman to fall in love hopefully with someone that is acceptable to her and her family, to live away from the family feuds and land disputes, away from the dictatorship of elders vs her duties towards them. Even after following her heart and her dreams, she feels tormented sometimes and seeks an equilibrium in America. **The Railway Clerk**, 1908 *He Has Given Us the Kingdom* Brenda Bell, 2022-06-24 Before Jesus went to the Father, he gave instructions to his followers to repent and change their way of thinking for the kingdom was at hand. This would result in a new way of thinking for them. Things were no longer going to work the way they had before. He instructed them in the good news that the kingdom had begun. He healed all kinds of sickness and diseases and taught them that they could be great in this kingdom that was coming from heaven to earth. He explained how it would start small and would grow throughout the earth in the same manner that yeast multiplies in bread making, and the world would not even see it happening. He gave them the authority and ordered them to take charge of this kingdom and called them children of the kingdom. He gave them, and all who would hear about him through their teaching, the keys to function in this new kingdom and explained how this authority was activated by faith-filled words. He said the kingdom was like a man going into a far country and leaving his servants in charge and taught that they would be accountable for what they had accomplished when he returned. We are those people
