Nothing But The Truth My Story:

Write Your Story Allison Fallon, 2024-05-07 Allison Fallon's *Write Your Story* provides a simple framework that will help readers capture in writing the depth of life events and in turn to make sense of their lives. Once you understand yourself and your life you will live with more purpose and confidence. We've all spent seasons reacting to the world around us as though the world were telling a story and we were simply the audience bystanders watching it all happen. The result a life of regret and a feeling that we missed our purpose. Author Allison Fallon has led thousands of people just like you to find greater meaning by helping them write their story. She's witnessed the phenomenon of a person stepping back analyzing their life and realizing what they're good at and what they are not the types of people who hurt them and those who help and the things that provide satisfaction and what leaves them empty. And in all this they find their purpose. They find their story. When you know your story you know who you are and why you matter. You understand the many ways you can help others and you develop a resilience over pain that can make you unstoppable. Allison's simple formula will help you process your life and get your whole story down in only five pages. This isn't a formula to teach you to write a book although the exercises may lead to that but it will help you understand yourself your story and your purpose. We will never know who we are until we know our story. And we will never know our story until we take time to write it down. So let's begin. *Hi, My Name Is Jack* Jack Watts, 2011-11-29 This highly personal intriguing memoir gives hope and encouragement to those struggling with addiction and the ones who love them. In this grippingly honest narrative about one man's journey from alcoholism and self destruction to recovery and a changed life readers will be dismayed at the hurtful patterns of his two alcoholic parents and how they scarred and shaped the outcome of their three sons forever. Watts openly talks of his multiple failed marriages strained relationships with his children overwhelming business losses and the self loathing and guilt that plagued him for years. In spite of all of this Jack held on to the conviction he made more than seventeen years ago never to drink again. Believing that the truth will set him free Jack sets out to uncover dark secrets from his past that have made his life a wasteland. With nothing to salvage but his name Jack decides to do the next right thing regardless of what that might be leaving the outcome in God's hands. A story like this is one that continues throughout a lifetime. The glimpses shared in these pages will inspire you to be honest about your own demons and provide hope for a fulfilled and joyful life beyond the shackles of addiction.
