Session ordinaire, 1990-01-01 Parallel main title Documents de séance Parallel text in English and French *Documents d'actualité internationale*, 2002 *Documents : Working Papers* Council of Europe, 1990-12-01 Parallel main title Documents de séance Parallel text in English and French *Annuaire Europeen 1989 - European Yearbook 1989* Council of Europe/Conseil de L'Europe, 1991-06-14 The European Yearbook has expanded over the years in keeping with the role played by European institutions compared with national ones It is an indispensable work of reference for anyone dealing with these institutions which have become so numerous and varied that no one can possibly memorise all their acronyms or functions The European Yearbook provides aids for finding one's way through the labyrinth of these organisations which coordinate a variety of activities in over 20 countries One of the aids is an organisation chart at the beginning of the documentary section giving a clear picture of the general situation A perusal of the many contributions in the volume organisation by organisation shows the full diversity of the activities which Europe is gradually taking over from national governments with their consent and financial support Written in both of the Council of Europe's official languages English and French the European Yearbook also contains a general index by subject and name which constitutes a very valuable list of articles and provides direct access to the work's subject matter regardless of the particular organisation concerned offering a kind of cross section of the activities of European organisations *The Drafting of the Covenant: Documents* David Hunter Miller, 1969 **Rapport sur les archives** Public Archives of Canada, 1886 Revue mensuelle de l'École d'Anthropologie de Paris, 1903 Documents Conseil de l'Europe Assemblée parlementaire Session ordinaire (Strasbourg), Conseil de l'Europe, 1996-10-01 Parallel texts in English French **Revue d'École d'Anthropologie de Paris**, 1902 Documents, 1997 **Revue anthropologique**, 1903 **There are Two German States and Two Must Remain?** Deborah Cuccia, 2019 In the night of 9 November the images of thousands of Eastern Germans pouring into Berlin security checkpoints at Bernauerstraße and West Berliners knocking the first brick out of the Wall literally travelled around the world More than any other frontier the division of Berlin as its physical representation epitomized in people's mind the ultimate sign of the division of Europe into spheres of influence More than any other event in Central Eastern Europe the Berlin Wall's demolition contributed to reshape both geographical maps and ideological camps It is therefore not in the least surprising that these events captured the attention of millions of Europeans ranging from present day observers to prominent experts Still throughout the years the main research focus has been either on the inner German dynamics or on the role played by the Superpowers With the 30th anniversary of the fall of the Wall in the offing and an apparent creeping estrangement between Italy and Germany making the front page the time is ripe for providing deeper insights into the reactions arising in Italy from the German events How did the Italian vision of the German Question evolve How did Rome

perceive and react to the process leading to German unity What kind of tools had the European integration process and the evolution of the Italian German relations How did Rome cope with the challenge issued by this acceleration of history In answering these questions the book goes far beyond the limitations imposed by a traditional diplomatic and foreign policy approach embracing also the economic and cultural levels as well as the mass media The year 1989 was a test of the level of maturity attained by the Italian German couple which casts a long shadow that goes far beyond their respective national borders
