November 2010 Social Sciences Memo:

Cold War Social Science M. Solovey, H. Cravens, 2012-01-30 From World War II to the early 1970s social science research expanded in dramatic and unprecedented fashion in the United States This volume examines how why and with what consequences this rapid and yet contested expansion depended on the entanglement of the social sciences with the Cold War

The Obama Presidency in the Constitutional Order Carol McNamara, Melanie Marlowe, 2012-08-10 The Obama administration is shaping up to be one of the most consequential in recent American history In this book a diverse group of presidential scholars step back from the partisan debate to consider the first two years of the Obama presidency through the lens of the U S constitution s theory structure and powers They ask how Barack Obama understands and exercises the President s formal constitutional and informal powers and responsibilities of the president from foreign policy and public policy to his political leadership of the Democratic party and the nation as a whole This timely first look at the Obama presidency establishes a constitutional yardstick of interest to scholars of the presidency constitutional thought and American political thought

The Long Decade David Jenkins, Amanda Jacobsen, Anders Henriksen, 2014-03-10 The terrorist attacks of 9 11 precipitated significant legal changes over the ensuing ten years a long decade that saw both domestic and international legal systems evolve in reaction to the seemingly permanent threat of international terrorism At the same time globalization produced worldwide insecurity that weakened the nation state s ability to monopolize violence and assure safety for its people *The Long Decade How 9 11 Changed the Law* contains contributions by international legal scholars who critically reflect on how the terrorist attacks of 9 11 precipitated these legal changes This book examines how the uncertainties of the long decade made fear a political and legal force challenged national constitutional orders altered fundamental assumptions about the rule of law and ultimately raised questions about how democracy and human rights can cope with competing security pressures while considering the complex process of crafting anti terrorism measures

Al-Rodhan, 2011-04-28 Examines key trends in emerging strategic technologies and the implications for geopolitics and human dignity Al Rodhan argues that future evolution into transhumans is inevitable In preparation the global community is urged to establish strict moral and legal guidelines balancing innovation with the guarantee of dignity for all

Harvard's Quixotic Pursuit of a New Science Patrick L. Schmidt, 2022-06-21 In *Harvard's Quixotic Pursuit of a New Science* Patrick L Schmidt tells the little known story of how some of the most renowned social scientists of the twentieth century struggled to elevate their emerging disciplines of cultural anthropology sociology and social and clinical psychology Scorned and marginalized in their respective departments in the 1930s for pursuing the controversial theories of Freud and Jung they persuaded Harvard to establish a new department promising to create an interdisciplinary science that would surpass in importance Harvard s big three disciplines of economics government and history Although the Department of Social Relations failed to achieve this audacious goal it nonetheless attracted an

outstanding faculty produced important scholarly work and trained many notable graduates At times it was a wild ride Some faculty became notorious for their questionable research Timothy Leary and Richard Alpert reborn as Ram Dass gave the psychedelic drug psilocybin to students while Henry Murray traumatized undergraduate Theodore Kaczynski later the Unabomber in a three year long experiment Central to the story is the obsessive quest of legendary sociologist Talcott Parsons for a single theory unifying the social sciences the white whale to his Captain Ahab All in all Schmidt s lively narrative is an instructive tale of academic infighting hubris and scandal *63 Documents the Government Doesn't Want You to Read* Jesse Ventura,Dick Russell,2012-04-02 A collection of government documents dating back to 1950 s

Converging Europe Ipek Eren Vural,2016-05-13 Converging Europe evaluates the impact of European integration on social policy development since the launch and re launch of the Lisbon strategy discussing the challenges posed by the still unfolding global economic crisis of 2007 2009 Given the unsettling economic conditions does European coordination of social policies generate more social cohesion and integration or growing xenophobia nationalism and exclusion Informed by diverse theoretical perspectives this book brings together a team of international experts working on an extensive range of policy issues central to the Lisbon agenda such as labour market policies social protection systems and social exclusion poverty Contributions assess the interfaces between European integration the Lisbon strategy and social policy in three groups of countries related to the EU old member states the new member states and a candidate country Turkey The richness of content and data allows rigorous analysis and critical comparative insights not only on the social outcomes of the Lisbon strategy but also more broadly on the dynamics and dimensions of European social policy Pioneering the scholarly reflections on the repercussions of the global economic crisis of 2007 2009 for both the road map drawn at Lisbon and viability of national systems of social provision in Europe this book is an important acquisition for policy makers and academics alike

Climate Politics And The Climate Movement In Australia Verity Burgmann,Hans Baer,2012-08-01 Climate change is the hottest topic of the twenty first century and the climate movement a significant global social movement This book examines the broad context of Australian climate politics and the place of the climate movement within it Acting from above are the most powerful forces corporations and governments both Labor and Coalition with the media framing the issues Climate movement actors in the middle include the Australian Greens major environmental and climate organisations think tanks academics public intellectuals and the union movement Acting from below are the numerous local climate action groups and various regional and national networks This lowest level is the primary location of the climate movement and grassroots mobilisation the source of its vitality To advocate a safe climate and climate justice the book ends by offering a vision for an alternative Australia based upon the principles of social equity and environmental sustainability **Coming Home to New Orleans** Karl F. Seidman,2013-03-04 Coming Home to New Orleans documents grassroots rebuilding efforts in New Orleans neighborhoods after hurricane Katrina and draws lessons on their contribution to the post disaster recovery of cities The

book begins with two chapters that address Katrina's impact and the planning and public sector recovery policies that set the context for neighborhood recovery. Rebuilding narratives for six New Orleans neighborhoods are then presented and analyzed. In the heavily flooded Broadmoor and Village de L'Est neighborhoods, residents coalesced around communitywide initiatives: one through a neighborhood association and the second under church leadership to help homeowners return and restore housing, get key public facilities and businesses rebuilt, and create new community-based organizations and civic capacity. A comparison of four adjacent neighborhoods in the center of the city shows how differing socioeconomic conditions, geography, government policies, and neighborhood capacity created varied recovery trajectories. The concluding chapter argues that grassroots and neighborhood-scale initiatives can make important contributions to city recovery in four areas: repopulation, restoring complete neighborhoods with key services and amenities, rebuilding parts of the small business economy, and enhancing recovery capacity. It also calls for more balanced investments and policies to rebuild rental and owner-occupied housing and more deliberate collaboration with community-based organizations to undertake and implement recovery plans and proposes changes to federal disaster recovery policies and programs to leverage the contribution of grassroots rebuilding and more support for city recovery. Ruling the Margins Prem Kumar Rajaram, 2014-09-19

Administrative rule is a type of rule centered on devising and implementing regulations governing how we live and how we conduct ourselves economically and politically and sometimes culturally. The principle feature of this type of rule is the important question about how things should be arranged and for what purpose becomes a bureaucratic matter. Histories of the global south are rarely used to explain contemporary political structures or phenomena. This book uses histories of colonial power and colonial state-making to shed light on administrative government as a form of rule. Prem Kumar Rajaram eloquently presents how administrative power is a social process and the authority and terms of rule derived are tenuous, dependent on producing unitary meaning and direction to diverse political, social, and economic relationships and practices.

Professional Journal of the United States Army, 2012 Black 9/11 Mark Gaffney, 2012-06-01 The weeks following the attacks of September 11, 2001, were traumatic for nearly every American, but for some the answers they received from the media and the government to explain the horrific events were not satisfactory. Accusations of cover-ups, internal plots, and sabotage from within the ranks of the U.S. government were and continue to be not uncommon. But compelling evidence, contrary to the accepted narrative, has for some skeptics been lacking. This investigation into the events of that day reveals dark secrets about United States-sponsored terrorism. Taking highly complex technical and scientific information and distilling it for the consumption of the lay person, this inquiry attempts to reveal the truth behind that infamous day.

State-building in Kosovo. A plural policing perspective Jelle Janssens, 2015-02-05 This book challenges the conventional wisdom of international policing in transitional societies, which seeks to strengthen the state police. It builds on a growing body of literature on the pluralization of policing in Western democracies and transitional states, which contends that the

state police is merely one security provider in a complex policing landscape Through a case study of Kosovo this book proposes possible forms of plural policing and the relationship between state builders and non state policing agents such as private security companies gangs and Kanun based policing systems The book provides insights in the field of plural policing in transitional societies and overall policing strategies used by the international community in Kosovo Research Data Management - A European Perspective Filip Kruse,Jesper Boserup Thestrup,2017-12-04 Based on case studies this book offers an insight in various European activities and practices in data management and their interaction with policies and programs The latter form the background for the following case studies provide the conceptual framework at the same time giving an exhaustive understanding of the specific subjects The case studies share common themes and give a concrete insight into vital issues such as web archiving digitization of analog archives researchers motivations for sharing data and how libraries archives and researchers can collaborate in creating research tools and services Cross-taiwan Straits Relations Since 1979: Policy Adjustment And Institutional Change Across The Straits Kevin G Cai,2011-04-20 With Taiwan s Kuomintang KMT regaining power from the Democratic Progressive Party DPP on May 20 2008 both Beijing and Taipei have been adjusting their policies toward each other However these recent changes can be seen as part of the overall ongoing process of policy adjustment in both Beijing and Taipei in response to changing domestic and external conditions since 1979 This book explores the process of policy adjustment and institutional change on both sides of the Taiwan Straits since 1979 and offers policy recommendations By presenting a comparative and balanced discussion of cross Straits relations from both mainland Chinese and Taiwanese perspectives this work will help readers gain an enhanced understanding of this controversial issue **Nanotechnology in the Agri-Food Sector** Lynn J. Frewer,Willem Norde,Arnout Fischer,Frans Kampers,2011-02-14 Providing an overview of nanotechnology in the context of agriculture and food science this monograph covers topics such as nano applications in teh agri food sector as well as the social and ethical implications Following a review of the basics the book goes on to take an in depth look at processing and engineering encapsulation and delivery packaging crop protection and disease It highlights the technical regulatory and safety aspects of nanotechnology in food science and agriculture while also considering the environmental impact A valuable and accessible guide for professionals novices and students alike *A Reader on International Media Piracy* Tilman Baumgärtel,2025-10-01 Piracy is among the most prevalent and vexing issues of the digital age In just the past decade it has altered the music industry beyond recognition changed the way people watch television and made a dent in the buisness of the film and software industries From MP3 files to recipes from French celebrity chefs to the jokes of American stand up comedians piracy is ubiquitous And now piracy can even be an arbiter of taste as seen in the decision by Netflix Netherlands to license heavily pirated shows In this unflinching analysis of piracy on the Internet and in the markets of the Global South Tilman Baumg rtel brings together a collection of essays examining the economic political and cultural consequences of piracy The contributors explore a wide

array of topics which include materiality and piracy in Rio de Janeiro informal media distribution and the film experience in Hanoi Vietnam the infrastructure of piracy in Nigeria the political economy of copy protection and much more Offering a theoretical background for future studies of piracy A Reader in International Media Piracy is an important collection on the burning issue of the Internet Age This timely collection featuring both empirical and theoretical essays brings together the latest reflections on piracy and its economic political cultural and theoretical consequences **Congress and Policy**

Making in the 21st Century Jeffery A. Jenkins, Eric M. Patashnik, 2016-02-15 Congress is frequently said to be broken dysfunctional and weak but how does the contemporary Congress really work Does Congress have the capacity to solve major policy problems Can it check an aggrandizing executive oversee a powerful Federal Reserve and represent the American people Can Congress cope with vast changes in the American political economy including rising income inequality Congress and Policy Making in the 21st Century takes a fresh look at the performance of Congress in the domestic arena focusing on issues such as immigration health care and the repeal of Don't Ask Don't Tell With original contributions from leading scholars this important volume examines how Congress tackles and fails to tackle key policy challenges in an era of growing social diversity and ideological polarization Rich in analysis and illuminating detail the book reveals the full complexity of the institution at work **The Constitution of China** Qianfan Zhang, 2012-08-01 This book on China's

constitution and its tradition of constitutionalism is one of the first in the English language and as such provides a much needed overview of China's constitutional history and present arrangements The nine chapters are divided into three parts The first part Chapters 1-2 deals with China's constitutional history its indigenous and Confucian antecedents as well as the turbulent century which led up to the 1982 Constitution and the new order which this ushered in The second chapter deals with the distinctive features of its current constitution The second part Chapters 3-6 introduces the institutional structure defined in the current constitution the relationship between the Centre and the Regions the role of the party and the role of the People's Congress the meaning of the socialist rule of law and the independence of the judiciary The third part Chapters 7-9 discusses the major developments in human rights and their deficiencies the protection offered to life liberty property and equality and at the same time the currently dormant areas of political and religious freedom The book concludes with a chapter looking forward to the future of the People's Congress and Chinese constitutionalism In sum the book offers a readable account of the salient features of Chinese constitutional developments in all major areas **Black American**

Refugee Tiffanie Drayton, 2022-02-15 Named most anticipated book of February by Marie Claire Essence and A V Club extraordinary and representative NPR Drayton explores the ramifications of racism that span generations global white supremacy and the pitfalls of American culture Shondaland After following her mother to the US at a young age to pursue economic opportunities one woman must come to terms with the ways in which systematic racism and resultant trauma keep the American Dream inaccessible to Black people In the early 90s young Tiffanie Drayton and her siblings left Trinidad and

Tobago to join their mother in New Jersey where she d been making her way as a domestic worker eager to give her children a shot at the American Dream At first life in the US was idyllic But chasing good school districts with affordable housing left Tiffanie and her family constantly uprooted moving from Texas to Florida then back to New Jersey As Tiffanie came of age in the suburbs she began to ask questions about the binary Black and white American world Why were the Black neighborhoods she lived in crime ridden and the multicultural ones safe Why were there so few Black students in advanced classes at school if there were any advanced classes at all Why was it so hard for Black families to achieve stability Why were Black girls treated as something other than worthy Ultimately exhausted by the pursuit of a better life in America twenty year old Tiffanie returns to Tobago She is suddenly able to enjoy the simple freedom of being Black without fear and imagines a different future for her own children But then COVID 19 and widely publicized instances of police brutality bring America front and center again This time as an outsider supported by a new community Tiffanie grieves and rages for Black Americans in a way she couldn t when she was one An expansion of her New York Times piece of the same name Black American Refugee examines in depth the intersection of her personal experiences and the broader culture and historical ramifications of American racism and global white supremacy Through thoughtful introspection and candidness Tiffanie unravels the complex workings of the people in her life including herself centering Black womanhood and illuminating the toll a lifetime of racism can take Must Black people search beyond the shores of the land of the free to realize emancipation Or will the voices that propel America s new reckoning welcome all dreamers and dreams to this land
