## **Saint Bernard De Clairvaux Biographies Historiques:**

**Bernard Of Clairvaux** Adrian H. Bredero, 2004-07-01 Bredero has produced a book that summarizes his lifelong preoccupation with the greatest saint of the twelfth century The problem that intrigues Bredero is the tension between Bernard the powerful churchman resented by many contemporaries and by many interpreters still today and Bernard the monk master communicator of the most intimate spiritual experiences beloved by numerous contemporaries by John Calvin and by many readers still today A magisterial overview John Van Engen in Church History Adriaan H Bredero first began reading Bernard of Clairvaux in 1944 as a young university student forced into hiding by the Nazi occupation of the Netherlands Over the past sixty years Bredero's academic interest in Bernard has branched out to cover topics as diverse as the historical value of the *vita prima* Bernard's part in the conflict between Cîteaux and Cluny and the image of St Bernard as it has been developed by hagiographers and scholars through the ages Bernard of Clairvaux Between Cult and History summarizes Bredero's lifelong study of Bernard the Cistercian monk who was arguably the most influential ecclesiastical figure of the twelfth century and who remains one of the church's most venerated saints Encyclopædia of chronology, historical and biographical, by B.B. Woodward and W.L.R. Cates Bernard Bolingbroke Woodward, William Leist R. Cates, 1872

**Biography** Frank Northen Magill, Alison Aves, 1998 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography *Bernard of Clairvaux* Brian Patrick McGuire, 2020-10-15 In this intimate portrait of one of the Middle Ages most consequential men Brian Patrick McGuire delves into the life of Saint Bernard of Clairvaux to offer a refreshing interpretation that finds within this grand historical figure a deeply spiritual human being who longed for the reflective quietude of the monastery even as he helped shape the destiny of a church and a continent Heresy and crusade politics and papacies theology and disputation shaped this astonishing man's life and McGuire presents it all in a deeply informed and clear eyed biography Following Bernard from his birth in 1090 to his death in 1153 at the abbey he had founded four decades earlier Bernard of Clairvaux reveals a life teeming with

momentous events and spiritual contemplation from Bernard's central roles in the first great medieval reformation of the Church and the Second Crusade which he came to regret to the crafting of his books sermons and letters We see what brought Bernard to monastic life and how he founded Clairvaux Abbey established a network of Cistercian monasteries across Europe and helped his brethren monks and abbots in heresy trials affairs of state and the papal schism of the 1130s By reevaluating Bernard's life and legacy through his own words and those of the people closest to him McGuire reveals how this often challenging saint saw himself and conveyed his convictions to others Above all this fascinating biography depicts Saint Bernard of Clairvaux as a man guided by Christian revelation and open to the achievements of the human spirit
