

Language Analysis Sample Essay 1

Recently, the media has provided coverage on the emergence of Uber, debating its legality and fairness towards the taxi industry. Text 1, an opinion piece titled "Uber is no better than an old-fashioned Gangmaster – so London's cabbies are striking", written by Trevor Merralls targets the British working class and contends, in a harsh tone, that Uber is unfairly preventing working class people from finding stable employment. Text 2 is an opinion piece written by Paul Syvret which is directed at Uber/Taxi users and is somewhat similar to the sentiment in text 1, contending that Uber must be regulated in order to fairly compete with taxis. Syvret adopts a balanced tone throughout the article, appearing reasoned and logical, which is in contrast to the tone expressed in the first article. Merralls begins the piece by calling Uber an "old fashioned Gangmaster" in the title, eliciting connotations of illegal and dangerous activity within the audience and in doing so, positions the audience to fear and despise Uber. This is followed by Merralls sharing an anecdote of taxis being "the only way a working class boy like me could be his own boss", specifically appealing to his working class audience in order to establish himself as relatable and on the same side of the readers. In addition, Merralls seeks to elicit sympathy from his audience, sharing how his "granddad and father ... worked ... as poorly paid labourers". Merralls continues by associating Uber with "unscrupulous bosses", with the lexical choice of "unscrupulous" conveying connotations of immoral and untrustworthy people. This is used in conjunction with emotive language in "mercy" to emphasise the cruel nature of his father and granddad's work, thus positioning the working class audience to feel threatened by Uber. The image depicting a taxi driver supports Merralls' contention, as the driver is shown to be friendly and jovial, maneuvering the audience to feel safe when driven by taxis.

Merralls continues by claiming that taxi drivers have "to work hard ... as any university student" in order to appeal to not only the working class, but also the educated. Furthermore, an appeal to fairness is used as Merralls states that his "vocation is under
