

5 Heroes

5.1 Defining heroes

- 1 *Musicians, actors and entertainers can be heroes. When I was younger, my first heroes were sportspersons. I admired their skills **and** I also admired their commitments. **But** as I grew older, I realised that there were many different types of hero. **Although** my favourite footballer was talented, he didn't do much for the society he lived in. I realised that heroes should be more than just talented people. **Because** a hero needs to do things for others. Furthermore, I realised that heroes don't need to be famous. They can be normal people **and** sometimes, their actions can be unknown to many. Today, doctors and nurses are my heroes.*

coordinating conjunction

subordinating conjunction

- d *I admire my sister **because** she has overcome a lot of problems in her life. S*
- e *I am going to write about why our rural heroes **do** read on and I'll explain ... C*

- 2 *Underground there was a new world, a bright, clean environment which, considering the mass machines going on above it, was astonishingly free of excessive advertising. Working out how to buy a ticket, though, had proved to be no easy job – even after he'd found the button which changed the Japanese characters on the text screen into English. Luckily someone who turned out to understand more English than they actually spoke spotted him standing, confused, in front of a bank of ticket machines, and between them they'd managed to buy a ticket that Adam hoped would get him to Roppongi and back again.*

The only problem was he had absolutely no idea where in Roppongi – no small area – to find the Bar Bell. Before leaving England he'd looked it up on the Net, but found nothing. Was it too small? He'd have to find a firm to know, but how? Then, above the roar of the traffic, he heard a badly amplified voice calling out, something about music. Now he looked he could see that there were quite a few people and one of them might know something. Whether they'd tell him was another matter entirely.
