Seven Mountain Prophecy: Unveiling the Coming Elijah Revolution Johnny Enlow, 2008 God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ says author Johnny Enlow He describes seven culture shaping areas of influence over each society media government education economy family religion and celebration arts and entertainment that are the keys to taking a nation for the kingdom of God The purpose of this book is to draw the church s attention to these areas help each individual determine his or her specific assignment in this mission and then to offer insight into the nature of the battles involved in this spiritual tsunami as the author calls it Many Christians do not grasp that God s favor for us to succeed is already upon us and is part of His end time strategy to establish Jesus as Ruler of the Nations before His return Readers will come to understand that this favor is divinely strategic and corresponds to the place of each person s ministry assignment Many have a spiritual poverty vision and poor eschatology two factors that have robbed us of our blessing and caused us to fail to reclaim cultural influences for Christ The book is laid out to address these two misunderstandings with the first several chapters specifically aimed at correcting lack of vision and misguided understanding of the end times Each

chapter that follows provides intensive detailed study of each mountain of influence how it will be taken and by whom and what resistance will be encountered by individuals assigned to claim this mountain The Seven Mountain Renaissance Johnny Enlow,2015 You Are Living in a New Era History s greatest Renaissance a spiritual one is now unfolding In his first two Seven Mountain books The Seven Mountain Prophecy and The Seven Mountain Mantle Johnny Enlow showed how Christians are called to manifest the kingdom of God in the seven primary spheres of society religion education family government economy media and celebration arts Now he reveals the sweeping changes he expects to take place over the next several decades in each of these spheres as he unveils his vision and strategy through 2050 We have entered an Era of Renaissance that will not be complete until the nature and character of the invisible God are made visible in the world through the influence of His ambassadorial children The first Renaissance in history showcased the achievements of man but this new Renaissance will display the brilliance and works of God for the whole world to see By 2050 an on fire loving church with a hope filled worldview will be globally advancing walking in unprecedented signs and wonders and supernatural manifestations of power Many nations on earth will walk in a high level of national transformation What is your part in this new Renaissance Which Mountain is your primary realm of influence As this extraordinary Renaissance progresses you will carry God s life changing truth and light to transform the world There will be such an increase in the knowledge of God and His ways that life on earth will be changed forever **The Seven Mountains Mandate** Matthew Boedy,2025-09-30 A sobering assessment of the evolution of Christian nationalism Publishers Weekly Exposing the decades long plan to radically transform America how the seven mountains movement prosperity preachers and political operatives are destroying democracy under Trump s second administration The movement to install a populist strongman in the White House with a game plan for enforcing right wing policies and catering to evangelical Christians started well before Donald Trump s first candidacy For decades a well funded network of religious and political operatives has been quietly working to dismantle democracy and replace it with Christian theocracy Their strategy The seven mountains mandate a plan to seize control of seven key pillars of American society and reshape the nation Education Government Religion Family Business Media Entertainment Scholar Matthew Boedy exposes how this movement driven by prosperity preachers extremist politicians and right wing power brokers laid the groundwork for Trump s presidency and is now advancing its agenda under his second administration From local school board elections to billion dollar megachurches this multipronged effort is reshaping the country in ways most Americans don t even realize Discover what has motivated the key players in this movement how they ve operated and what is the unprecedented role of millennial kingmaker Charlie Kirk founder of Turning Point USA and the new face of Christian nationalism and the seven mountains movement who believes that we finally have a president who understands the seven mountains of cultural influence Today s news is so much more than the scattershot orders of an extreme administration With Project 2025 policies in motion the seven mountains movement is closer than ever to its goal of

turning America into a Christian nationalist state Leaders of this movement have been playing a long game undermining democracy to establish a theocracy but it s not too late to halt their progress and reverse the tide This book reveals what s happening behind the scenes and what you can do to stop it Videos for small group use featuring the author are available for free on WJK s YouTube page <https://tinyurl.com/SevenMountainsVideos> *The New Apostolic Reformation* John Weaver,2016-04-27 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary Jesus Camp 2006 the New Apostolic Reformation s influence can be seen everywhere in mainstream America Beginning with an examination of the Latter Rain Church Growth and Shepherding movements this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life The author describes the New Apostolic Reformation s organization how the movement spread and its national and international objectives **American Evangelicals for Trump** André Gagné,2023-12-01 This book introduces the American Evangelical movement and the role it played in the support of Donald Trump Specifically it focuses on the Neocharismatic Pentecostal NCP leaders their beliefs and their political strategies The author examines why 81% of white evangelicals voted for Trump in 2016 and why he still received between 76% and 81% of their vote in 2020 despite losing the presidency Additionally the book discusses how NCP leaders are part of the Christian Right a religious coalition with a political agenda centered on controversial issues such as anti abortion activism opposition to LGBTQ rights and the protection of religious freedom Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020 Dominion Spiritual Warfare and Eschatology the End Times the book examines how these ideas have sustained the evangelicals close to U S political power in the Trump era In light of the potential for Trump s return to power in 2024 the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring It is an essential read for all students and researchers of Evangelicalism Religion in America Political Theology or Religion and Politics *Prophecy in the New Millennium* Suzanne Newcombe,Sarah Harvey,2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecy s more mundane manifestations and its role in providing meaning and motivation in everyday life **The New Apostolic Reformation, Trump, and Evangelical Politics** Damon T.

Berry,2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump s candidacy and to continue to defend his presidency re election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God s anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump s candidacy presidency and re election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century Curating Spaces of

Hope Matthew Barber-Rowell,2025-03-31 What might a political theology of leadership look like in uncertain times Curating Spaces of Hope explores how individuals and communities work together to shape and contribute to society in times of pandemic Brexit war and a cost of living crisis through the exploration and development of local leadership practice underpinned by shared values Religious Right A.F. Birthright of Freedom Doyle Musser,Rebecca Musser,2019-02-01 No matter your circumstance everyone is born with a birthright and an inheritance God has promised this inheritance to each and every one of us although many of us may not know how to access our birthright and some of us may not even know what we will inherit Birthright of Freedom is an in depth Bible study centered on the Old Testament book of Judges It focuses on seven major oppressors of Israel during that period explaining their origins and the generational sins that typified their relationship with Israel The study looks at the importance of covenant covenant blessings and consequences of covenant violations There is opportunity to discover

contemporary manifestations of those same generational curses using the biblical model to deal with generational sin. Alongside each curse authors Doyle Rebecca Musser look at the covenant blessings God has given us through the redemptive gifts and the redeemer himself Jesus. As Jesus proclaimed we are all heirs to the throne of the kingdom of God and he has given us the freedom to claim our place alongside him in this coming kingdom. By identifying the specific areas that hold us back from the freedom God intends you too can apply the Word to your life and begin following kingdom protocol.

The Kingdom Establishers - Book 3 (The Revealed Kingdom 3-Book Series) Mark Loretz, 2024-01-07 I am excited about this beautifully written Kingdom guidebook as it gives us various keys and strategies to live a Kingdom life. It also challenges us to become Kingdom establishers and to build the Kingdom of Jesus where we live and work. I enjoyed the parts referring to Kingdom mindsets and attitudes that teach the believer a different worldview to attract a life of miracles as well as being instrumental in letting His Kingdom come on earth as in Heaven. What Dr Mark Loretz describes is how to practically align ourselves with the Kingdom of God to live the life of overflow as Jesus intended.

The Powerful Kingdom - Book 2 (The Revealed Kingdom 3-Book Series) Mark Loretz, 2024-01-06 I have found sowing seed thinking it was good ground and hoping for a return is not what the Kingdom is but pressing in waiting listening and growing in my relationship with the Holy Spirit and being obedient to His prompting has revealed the reality of The Kingdom which is within me. Within these pages Mark has managed to coerce the reader to delve deeper into their relationship with the Father to find the lustrous pearl and compel you the purchaser to sell everything to possess it. The writings expose the gap between the child like faith illustration Jesus used of the Kingdom of heaven belonging to children to the reality in adulthood of what it entails and the availability as Jesus taught in His Prayer. The challenge has been to understand again that it is in seeking first His Kingdom and His Righteousness which reveals the ultimate Pearl of Great Worth Jesus Christ and His Kingdom.

The Kingdom Discovered - Book 1 (The Revealed Kingdom 3-Book Series) Mark Loretz, 2023-12-15 Dr Mark Loretz has been a close friend and ministry colleague for over twenty years. I consider him to be a truly gifted and anointed Kingdom teacher and prophetic voice of our time. He has a passion for extending God's Kingdom in every sphere of society and helping people and organisations to achieve their full potential in Christ. He is truly a man of God who is wholeheartedly committed to love and obey God and to fulfil all that God has called him for. In this great new book he brilliantly and practically reveals and unlocks so many precious gems of revelation regarding the Kingdom of God that I can highly recommend it to every believer in the body of Christ.
