**Is It Wrong to Buy Sex?** Holly Lawford-Smith, Angie Pepper, 2024-03-29 Is it wrong for a man to buy sex from a woman In this book Holly Lawford Smith argues that it is wrong commercial sex is quintessentially hierarchical sex and it is wrong both to have and to perpetuate a market in hierarchical sex Angie Pepper argues that it isn't wrong men are permitted to buy sex from those women who freely choose to sell it Important but different interests are at stake in these two positions According to the first we should prioritize the interest of all women in securing a society that has achieved equality between the sexes and we should make the changes needed to get there including prohibiting men from buying sex from women In contrast the second position prioritizes the protection of individuals rights to engage in consensual commercial sex exchanges and demands that we strive for gender equality without compromising these rights The two authors debate the ethical issues involved in the decision to buy sex arguing passionately for very different conclusions in a way that is lively

constructive and sure to leave readers with a lot to think about Key Features Focuses on the pressing moral issue of whether we re morally permitted to buy sex Advances two different normative ethical approaches to the issue and develops two competing arguments Demonstrates how philosophical debate on controversial topics can be productive and easy to follow Provides a glossary with definitions of key terms that are bolded in the main text Includes section summaries that give an overview of the main arguments and a comprehensive bibliography for further reading *Refusing to be a Man* John Stoltenberg,2005-07-28 Since its original publication in 1989 Refusing to be a Man has been acclaimed as a classic and is widely cited in gender studies literature The publication consists of thirteen eloquent essays on liberation theory
