hand or even a couple tight knots and most women think they've learned what it is to give in and submit His hand brushed upwards from my hip caressing the side of my breast almost imperceptibly and then ran back down and out over my sensitive stomach He felt me trembling in his hands felt each little automatic response to every contact he made with me The hand rose again and cupped my right breast teasing at the nipple ever so lightly I felt myself thrusting my chest into his hand begging for more substantial stimulation but his hand withdrew in just far enough to maintain its infuriating lightness All the while the other hand worked its delicate touch up my thigh claiming my body as his one inch at a time As he continued to speak his tone became quieter and more seductive almost hypnotic But me I can tell when a woman is truly utterly powerless It doesn't have anything at all to do with ropes The tips of his fingers brushed the lace of my panties Do you know what I mean Jennifer Yes I gasped I felt paralyzed by need not just his touch but his orchestration He was playing my body and every note seemed to match a perfect harmony I had never listened for before All the while it seemed that the air I breathed was of nothing but his scent issuing me deeper into his world of physical bliss Yes sir I repeated slightly less breathlessly in an attempt to hide my state from the onlookers Jack of course knew precisely what he was doing to me There was no concealing this experience from him I would be safe in his arms his touch told me I could let myself go *BDSM Guide* Tim Stoic, 2019-07-25
