Sex The City Episode Guide:

Sex and the City Nicole Evelina, 2022-11-15 An insightful look at the cultural impact of the television phenomenon *Sex and the City* Back in the late 1990s and early 2000s one word was on everyone's lips *sex* *Sex and the City* had taken the United States and the world by storm Carrie Miranda Charlotte and Samantha influenced how a generation of women think practice and talk about sex allowing them to embrace their sexual desires publicly and unlocking the idea of women as sexual beings on par with men In *Sex and the City A Cultural History* Nicole Evelina provides a fascinating in depth look at the show's characters their relationships and the issues the show confronted From sexuality and feminism to friendship and motherhood Evelina reveals how the series impacted viewers in the 1990s as well as what still resonates today and what has glaringly not kept up with the times The world has changed dramatically since the show originally aired and Evelina examines how recent social movements have served to highlight the show's lack of diversity and throw some of its storylines into a less than favorable light While *Sex and the City* had problematic issues it also changed the world's perception of single women emphasized the power of female friendship built brands and influenced fashion This book looks at it all from the pilot episode to the spin off movies prequel and reboot that together have built an enduring legacy for a new generation of women

Sex and the City Amy Sohn, 2004-02-23 A fan's resource for the award winning cable television program features information about the show's actors producers costume designers and sets and provides summaries of each season and interviews with the cast **Sex and the City** Deborah Jermyn, 2009-01-12 Examines the full run of *Sex and the City* and its production background place in television history innovations to the genre and reception **TV Guide: TV on DVD 2006** TV Guide, 2005-10 From the foremost authority on TV viewing comes a complete guide to television shows on DVD

Television Program Master Index Charles V. Dintrone, 2014-02-11 This work indexes books dissertations and journal articles that mention television shows Memoirs autobiographies biographies and some popular works meant for fans are also indexed The major focus is on service to researchers in the history of television Listings are keyed to an annotated bibliography Appendices include a list of websites an index of groups or classes of people on television and a list of programs by genre Changes from the second edition include more than 300 new shows airing on a wider variety of networks 2000 plus references more than double the second edition and a large increase in scholarly articles The book provides access to materials on almost 2300 shows including groundbreaking ones like *All in the Family* almost 200 entries cult favorites like *Buffy The Vampire Slayer* 200 plus entries and a classic franchise *Star Trek* more than 400 entries for all the shows The shows covered range from the late 1940s to 2010 *The Walking Dead* References range from 1956 to 2013 *Children at Risk* Janice Crouse, 2017-09-08 The desire for our children to be free from want and danger and to be able to enjoy their youth in innocence would seem to be universal Conventional wisdom says that parents in every socio economic level of society share the dream of preserving their children's innocence All want to provide a childhood and adolescence that

shelters and protects children from the harshness of life and nurtures them until they are able to withstand the onslaught of reality One need only look at troubled areas of the world such as Northern Ireland parts of the Middle East or any number of other points on the globe to see how weak is any communion forged out of these universal desires for the welfare of children Even in the United States the competition of ideas and values about what represents the good society in which to raise our children is fierce as are differing views about the value of innocence and even life itself These differing ideas and values affect people's actions even when they have never reflected on them or have never cared enough to formulate those values into a coherent worldview Crouse contends that without morals children are at risk Moral boundaries not moral relativism provide a safe haven for children by preserving their innocence and protecting them from predators and pedophiles When authentic religious faith has been quashed children are no longer safe When the underlying values are wrong when there are no common values unifying a people even the best programs and most honorable of intentions are doomed to failure Well intentioned programs and policies inevitably fail miserably without an undergirding moral foundation as is documented by an abundance of data and the social trends in America today TV Guide, 2006 **Second City Television** Jeff Robbins, 2014-11-29 This work offers a complete episode guide and comprehensive history of Second City Television The influential Canadian sketch comedy series created dozens of memorable characters i.e. station president Guy Caballero and showbiz mogul Johnny LaRue and featured well known performers such as John Candy Catherine O'Hara and Martin Short at the height of their comedic careers Presenting a thorough summary and review for each of SCTV's 135 episodes the author traces the initial appearance and evolution of some of comedy's best known television characters and sketches Two appendices provide guides to the program's compilation shows and recently released boxed sets on DVD **The Q Guide to Sex and the City** Robb Pearlman, 2008 Go behind the scenes of Sex and the City read episode recaps and learn fun facts about the four best friends Carrie Samantha Miranda and Charlotte **Screening Gender** Heike Paul, 2007 **Single Mother** Jane Juffer, 2006-04-01 Long perceived as the ultimate symbol of social breakdown and sexual irresponsibility the single mother is now in the context of welfare to work policies often hailed as the new spokesperson for hard work and self sufficiency A dozen years after Dan Quayle denounced the television character Murphy Brown for making the decision to become a single mother just another lifestyle choice President George W. Bush applauded single mothers for heroic work and positive on screen representations of single mothers abound from The Gilmore Girls to Sex and the City to American Idol Single Mother describes the recent cultural valorization of this figure that in the midst of demographic changes in the U.S. has emerged as the unlikely heroic and seductive voice of the new American family Drawing on her own life as a single mother interviews with dozens of other single mothers cultural representations and policies on welfare immigration childcare and child custody Juffer analyzes this contingent acceptance of single mothers Finally critiquing the relentless emphasis on self sufficiency to the exclusion of community Juffer shows the remarkable organizing skills of these new mothers of invention

At a moment when one third of all babies are born to single moms Single Mother is a fascinating and necessary examination of these new domestic intellectuals The Language of Fictional Television Monika Bednarek,2010-09-02 With cases studies used throughout to help illustrate the more general points this is an analysis of the most important characteristics of television dialogue with a focus on fictional television The book illustrates how we can fruitfully and systematically analyse the language of television **Sex, Death and Resurrection in Altered Carbon** Aldona Kobus,Łukasz

Muniowski,2020-01-31 The 2018 Netflix series Altered Carbon is a vital contribution to the cyberpunk renaissance among such titles as Snowpiercer or Blade Runner 2049 This collection of new essays answers the question is this increasing popularity of cyberpunk a sign of recognition of the genre s transgressive aspects such as a stark critique of capitalism or is it the opposite a sign of the genre s failure to successfully criticize modernity The contributors consider the series as taking on current issues from a critique of neoliberalism through the ethical aspects of biotechnology up to thanatology They provoke questions about what it means to be human in a world in which death does not exist Essays evaluate the surging popularity of the series and cyberpunk at large from a variety of critical perspectives shedding new light on a challenging and inventive series Russian TV Series in the Era of Transition Alexander Prokhorov,Elena Prokhorova,Rimgaila

Salys,2021-12-14 Russian TV Series in the Era of Transition examines contemporary Russian television genres in the age of transition from broadcast to post broadcast television Focusing on critical debates and the most significant TV series of the past two decades the volume s contributors the leading US and European scholars studying Russian television as well as the leading Russian TV producers and directors focus on three major issues Russian television s transition to digital post broadcast economy which redefined the media environment Russian television s integration into global television markets and their genre systems and major changes in the representation of gender and sexuality on Russian television

Consumer Sexualities Rachel Wood,2017-08-03 Consumer Sexualities explores women s experiences of shopping in sex shops and using sexual commodities in their everyday lives This enlightening volume shows how women take up sexual consumer technologies of the self to work upon and understand themselves as confident and active sexual agents in postfeminist neoliberal culture In guiding the reader through the historical emergence of sexual commodities for women in feminism and postfeminism Wood points to the normalisation and regulation of sexual practices and identities in and through consumption Indeed women s accounts show the work involved in constructing the right knowledgeable tasteful and confident orientation to sexual consumption and by extension in becoming an intelligibly good sexual person At the same time the author draws upon de Certeau to show how the ordinary contexts in which sexual commodities are used can lead to unpredictable moments of adaptation discomfort playfulness and resistance A rich analysis of women s everyday strategies of making do with the kinds of femininity and female sexuality that sex shop culture represents Consumer Sexualities will appeal to scholars of sociology cultural studies and gender studies with interests in gender sexuality sex and consumption

Television Cities Charlotte Brunsdon, 2018-01-19 In *Television Cities* Charlotte Brunsdon traces television's representations of metropolitan spaces to show how they reflect the medium's history and evolution thereby challenging the prevalent assumptions about television as quintessentially suburban Brunsdon shows how the BBC's presentation of 1960s Paris in the detective series *Maigret* signals British culture's engagement with twentieth century modernity and continental Europe while various portrayals of London ranging from Dickens adaptations to the 1950s nostalgia of *Call the Midwife* demonstrate Britain's complicated transition from Victorian metropole to postcolonial social democracy Finally an analysis of *The Wire*'s acclaimed examination of Baltimore marks the profound shifts in the ways television is now made and consumed Illuminating the myriad factors that make television cities Brunsdon complicates our understanding of how television shapes perceptions of urban spaces both familiar and unknown

Internet Comedy Television Series, 1997-2015 Vincent Terrace, 2016-02-12 Created around the world and available only on the web Internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The fourth in a series covering Internet TV this book takes a comprehensive look at 1121 comedy series produced exclusively for online audiences Alphabetical entries provide websites dates casts credits episode lists and storylines

Focus On: 100 Most Popular Television Shows Set in New York City Wikipedia contributors, *The 25 Sitcoms That Changed Television* Aaron Barlow, Laura Westengard, 2017-12-01 This book spotlights the 25 most important sitcoms to ever air on American television shows that made generations laugh challenged our ideas regarding gender family race marital roles and sexual identity and now serve as time capsules of U.S. history What was the role of *The Jeffersons* in changing views regarding race and equality in America in the 1970s How did *The Golden Girls* affect how society views older people Was *The Office* an accurate if exaggerated depiction of the idiosyncrasies of being employees in a modern workplace How did the writers of *The Simpsons* make it acceptable to air political satire through the vehicle of an animated cartoon ostensibly for kids Readers of this book will see how television situation comedies have consistently held up a mirror for American audiences to see themselves and the reflections have not always been positive or purely comedic The introduction discusses the history of sitcoms in America identifying their origins in radio shows and explaining how sitcom programming evolved to influence the social and cultural norms of our society The shows are addressed chronologically in sections delineated by decade Each entry presents background information on the show including the dates it aired key cast members and the network explains why the show represents a notable turning point in American television and provides an analysis of each sitcom that considers how the content was received by the American public and the lasting effects on the family unit gender roles culture for young adults and minority and LGBT rights The book also draws connections between important sitcoms and other shows that were influenced by or strikingly similar to these trendsetting programs Lastly a section of

selections for further reading points readers to additional resources **Manhattan Dating Game** Jim Smith, 2004 In Manhattan four successful career women tiptoe round the dating minefield armed only with mascara Manolos and some truly Machiavellian schemes Sex and the City candidly explores the social and sexual lives of four single New York City women This indispensable guide follows the Virgin programme guide format guiding the reader through an in depth episode by episode guide to all of the first six seasons of the award winning hit comedy Also taking a look at the original book by Candace Bushnell on which the series was based Manhattan Dating Game is the ultimate overview of the lives of Carrie Charlotte Miranda and Samantha If you find yourself wishing you could emulate Carrie s distinctive style or Samantha s gungho approach to seduction then Manhattan Dating Game is the only guide you ll ever need
