her She flinched but immediately found herself leaning into the feeling something inside her shifting in response to his command When I ask you a question I want an answer Do you understand His voice was firm leaving no room for hesitation Yes Sir I understand Aaron s training had taught him how to take control how to command without mercy And McKenzi was exactly what he had been craving Seeing her again standing before him brought all his desires to the surface She was everything he wanted and now he had the power to claim her McKenzi on the other hand had no idea how her world was about to change Raised in a world where she was never allowed to explore her own desires she was completely unprepared for what Aaron had in store for her She had never been with anyone before and his world his rules felt like a foreign territory she wasn t sure she could navigate But her family needed the help and Aaron was the key The temptation to surrender to him to the man who now held her future in his hands was overwhelming Would she give in to the promises he offered or would she fight to preserve the part of herself that had always been free
