Sexy Little Liar:

Sexy Little Liar Noire, 2012 Beautiful con artist and ex escort Mink LaRue has been impersonating the long lost daughter of an oil rich Texas family But her new siblings aren't all convinced Barron hires a private detective to dig up any dirt he can find on Mink to keep her out of the trust fund He discovers that Mink's ex boyfriend Gutta has been released from prison and is after her But then Barron encounters a stripper called Dy Nasty who looks just like Mink Will she be a pawn in his plan to get Mink disqualified from the trust fund or does she have an agenda of her own **Lovely Little Liar** J. Kenner, 2018-11-08 She's not the woman I thought but dammit she's the woman I want I never thought of myself as cynical but getting dumped at the altar changes a man Now I'm all about my job About building my business and getting on with my life Don't get me wrong I still love women I love the way they look The way they smell The way they feel Especially the way they feel And I've pretty much made it my mission to give each and every woman who shares my bed the ride of her life But getting close Getting serious Giving a woman my trust again Yeah that's not going to happen Or so I thought Then I met her It's funny how things can change in a heartbeat How one case of mistaken identity can change everything But there she was all business and completely uninterested in me And damned if I didn't want her Crave her Most of all I wanted to help her To keep her and her sister safe But the more I get to know her the more I want her The whole package The complete woman And the miracle is that she wants me too Trouble is we've both been burned before Now I know one thing for certain the only way that we'll survive the heat that crackles between us is if we both find the courage to leap into the fire together *Lovely Little Liar* is a novella originally published as *Bitch Slap* Minor edits such as expanded scenes have been made to this book

Sexy Little Sinner Julie Kenner, 2019-02-04 It was wrong to stay together but we couldn't stay apart I've been with my share of women but none touched my heart and fired my senses the way she did Her smile enticed me Her caresses teased me Her body aroused me And yet it couldn't last There were too many years between us A gap we couldn't breach and we broke it off No I broke it off And I've regretted that decision ever since Now she's in danger and there's no one else I trust to protect her But the more time we spend together the more I want her back And all I know now is I have to keep her safe and despite both of us knowing better somehow somehow she will be mine again *Sexy little liars* Linda Kage, 2022 **Red Hot Liar** Noire, 2015-12-29 Now that Mink LaRue has pushed her way to the front of the queue to capture the Dominion family's oil billions her life has become a luxurious cruise of easy money fine whines and sparkling jewels But she'll need to come up with a whole new bag of sizzling tricks in order to outsmart and hustle Suge her uncle by marriage only **Pretty Little Player** Julie Kenner, 2018-12-17 Bedroom games are fine but I need a woman who won't play with my heart After years in the military I've faced down a lot of things and there's not much I shy away from Except relationships Because when you catch your wife in bed with another man that tends to sour even the most hardened man against women When I was hired to keep surveillance on a woman with a checkered past I went into the job anticipating the worst But what I found was a woman

who turned my head Who made my blood heat and my body burn A woman who made me feel alive again A woman who was nothing like what I expected but everything I wanted A woman who it turned out needed my protection And wanted my touch And as the world fell out from under us and everything I thought I knew shifted there was only one reality I could hold onto that the more I got to know her the more I wanted her But if I m going to make her mine I ll have to not only keep her safe I ll have to prove to her that I ve conquered my own fears and doubts That I m done looking into the past and that all I want is a future with her
