Shadow Of Death Community Of Faith Mysteries 2:

A plain, but full exposition of the Catechism of the Church of England William Nicholson (bp. of Gloucester.),1842

The Mystery of the Church Fabrice S. Katembo,2020-11-30 The Pauline epistles are filled with beautiful and provocative metaphors for the church it is a bride a body a flock a temple Each of these metaphors emphasizes the central unity and indivisibility of the people of God Yet how do Christians live out this unity in the face of ethnic conflict tribalism and political divisions In this powerful application of Paul s teaching Fabrice S Katembo explores the mystery of the church in an African context arguing that the greatest challenge facing God s people is not external threat but internal discord Katembo draws his reader s attention back to the unifying work of Christ who died to abolish all walls of separation and in whom we are one no matter the tongue tribe or nation Providing an overview of Paul s life and ministry and engaging the work of renown theologians such as John Mbiti and Kwame Bediako this is an excellent resource for anyone facing intercultural tensions within the church It is also a vital reminder that far from harmless divisions between believers threaten to cripple the body of Christ by distorting its witness injuring its members and separating what Christ died to unify *Preacher and Homiletic Monthly* ,1908 *An Exposition of the Catechism of the Church of England* William Nicholson,1844 *A Plain, But Full Exposition of the Catechism of the Church of England ...
