Bible Key Bible Characters How the Bible Was Written Bible Times and Places Handy Tools for Bible Study an overview of Bible study basics plus a 365 day Bible reading program **No-Brainer's Guide to What Christians Believe** James S. Bell, Jr., James S. Bell, Stan Campbell, 2002 For Christians who want to understand more about their faith this is a useful introduction that is also a helpful Christian doctrine for newcomers *Sandpebbles* Patricia Hickman, 2002-04-05 The tale of a broken heart's awakening to hope A moving richly told story set in a small fishing village in coastal North Carolina Patricia Hickman's novel portrays a witty recently widowed heroine who must learn to let go of the past and discover God's surprising renewing provision for her future Guide to What Christians Believe James S. Bell, 2011 There are hundreds of variations within Christianity and this guide will help you untangle the differences to find the basic beliefs that most Christians share Overviews of doctrine church history and church and culture are included to help explain how and why Christians differ on a variety of beliefs **The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean** Michael Southard, 2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn't include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians' writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth **A Young Woman's Guide to Discovering Her Bible** Elizabeth George, 2014-10-01 What is God's take on the issues that are nearest to a teen girl's heart Issues like acceptance loneliness friendships and relationships How about getting along with your parents Or finding your purpose and place in life It's amazing how relevant the Bible is you'll find yourself relating to the people and experiences in it And you'll discover promises from God that will help you through anything and everything It all comes alive when you commit yourself to knowing the Bible That's what this book is all about knowing the Bible learning what it says and making it your personal guide in all you
