Noah Davis Noah Davis, 2020-09-01 Providing a crucial record of the painter Noah Davis s extraordinary oeuvre this monograph tells the story of a brilliant artist and cultural force through the eyes of his friends and collaborators Despite his exceedingly premature death at the age of 32 Davis s paintings have deeply influenced the rise of figurative and representational painting in the twenty first century Davis s emotionally charged work places him firmly in the canon of great American painting Stirring elusive and attuned to the history of painting his compositions infuse scenes from everyday life with a magical realist atmosphere and contain traces of his abiding interest in artists such as Marlene Dumas Kerry James Marshall Fairfield Porter and Luc Tuymans This catalogue is born of the unique relationship between Davis and Helen Molesworth whom Davis entrusted to be the curator of his work It is published on the occasion of the 2020 exhibition at David Zwirner New York which travels to The Underground Museum in Los Angeles a space that Davis founded with his wife artist Karon Davis In her introduction catalogue essay and interviews with important figures in Davis s life Molesworth shows how the artist s generosity and sense of responsibility galvanized a uniquely supportive artistic community culture and vision Together with color illustrations and archival photographs the book features
