Nobody Really Sleeps Anymore:

Psycho Possession Eliot Banaszak, 2025-06-13 Book 2 follows Jessica and several new characters who were affected by Henry's rampage. A gut wrenching story that dives into the mental state of these characters as they battle hatred, depression, and suicide. It also follows Henry and the conflict that continues to battle inside his own head as the demons from within continue to take over his mind. I loved him, I hated him. He was my world. He destroyed mine. **The Malefic Nation** A. R. Shaw, Love the characters and story. Especially considering current circumstances, I felt I was living the story. Great way to escape. Gwenda Hughes, USA Today bestselling author. A. R. Shaw continues the Graham's Resolution series with book 3, *The Malefic Nation*. What the world dreads most has happened. In Graham's Resolution, author A. R. Shaw delivers a far too plausible scenario challenging human survival. Graham struggles with loss and birth at the same time. With an impossible decision, the cure may cost Clarisse her soul. A journey comes to an end, but at a cost. A. R. Shaw really knows how to weave a story. *The Malefic Nation* had me gripped. Debra M. Great, fast-paced, believable story. Loved the characters and their progression. Highly recommend. Amazon Customer. Again, I couldn't put it down. Great story. Sylvia Francie. Page Up and Order Now. *Graham's Resolution Box Set* A. R. Shaw, Eerily plausible. They said, "Too close to reality." Originally published six years before the real 2019 coronavirus outbreak. *The China Pandemic* is USA Today best-selling author A. R. Shaw's strikingly foreboding post-apocalyptic thriller novel which plunges readers into an all too realistic alternate history doomsday event that occurs after a weaponized super virus is unleashed from a lab in China and wipes out most of the world's population. To limit exposure to infected victims of the virus, a kind and empathetic Seattle math professor with limited survival skills escapes deep into the forests of northern Washington State. In his last words to an infected and fading man, Graham promises his dad that he will forego his thoughts of giving up and try to survive despite the hopelessness and despair that surrounds him. From Graham's rustic family cabin in the woods, he starts drawing strong and determined survivors to him: an orphaned 4-year-old Korean American boy, a strong Native American woman named Tala, an elderly African American retired police officer with a gift for understanding people, and a group of gritty survivalists without immunity to the killer virus. *The China Pandemic* is the epic first volume of the imaginative and immersive Graham's Resolution apocalypse survival series, which features a terrifying virus pandemic, compelling and diverse and complex characters, and a powerful battle of good vs. evil in a dystopian world of desperation and corruption. This is a story of hope when humanity is at its worst. Post-apocalyptic fiction at its best. Amazon Review. Page Up and Order Now. Get the first 4 books in the Graham's Resolution series in one Box Set. Includes *The China Pandemic* (Published in 2013), *The Cascade Preppers*, *The Last Infidels*, *The Malefic Nation*.
