Seager, 2008-05 Mary was born into a family that was noted for good health and long life Both of her grandmothers lived to be over 100 and Mary planned to do the same She married and raised three children Everything seemed to be going according to plan until one day life threw her a curve she was not expecting She was diagnosed with cancer This book tells of her journey down that road and how God walked with her to bring her into the light Many times when she was in need of comfort she was given a poem to help her through Some of those poems are also included in the book *Out of My Valley* Alice Fletcher, 2009-09 The tests had all come back negative before But this time the test was positive a breast cancer Thrust into the valley of the shadow Alice Fletcher was about to endeavor on a spiritual journey that would forever change her life When Alice was diagnosed God brought to her memory scriptures that gave her immediate peace But at a time when it would have been easy to turn her back on God she chose the hard road and continued believing her cancer had a purpose which taught her the lessons now shared in this meaningful memoir Alice guides readers through her valley giving them a closer look at the emotions of a cancer survivor She skillfully uses Scripture and poems to relate her experiences and inspire readers to continue praising God even when trials and tribulations are at the worst Alice's Out of my Valley experience is one perfect to share with anyone who may need help walking out of their valley **Texting Through Cancer** Jan Woodard, 2021-03-01 When author Jan Woodard requested prayer after her breast cancer diagnosis her texts email and mail were flooded with encouraging notes that inspired her to write about her journey through treatment As she wrote a weekly column for her local newspaper Woodard discovered that writing kept her from self pity by helping her focus on others and shift from fear to faith In Texting Through Cancer Woodard shares the peace she found in surrendering her cancer to God Through 42 reflections she offers practical ways to find beauty in ordinary moments Woven throughout her meditations are 12 spiritual practices that challenge readers to explore their own faith more deeply This book extends hope to those who wonder how to live fully today when uncertainty overshadows tomorrow Readers will discover how to pay attention to small signs of God's faithfulness savor the gifts each day brings and receive assurance that all will be well when they trust their tomorrows to God **The Deepest Valley** Dan Kallesen, 2020-06-17 When the doctor said those fateful words You have cancer Dan Kallesen thought his life was over His PSA prostate specific antigen number a major indicator of the presence of cancer was the highest the doctor had ever seen Instantly Dan was plunged into the most intense mental and spiritual battle he had ever experienced In

order to overcome the sudden storm of fear and doubt he began keeping a journal waging spiritual warfare through the written word Over time his journal evolved into a regular devotional that he began to share with friends family members and acquaintances offering encouragement for anyone going through difficult times After all in any personal crisis the biggest battle is the inner battle between faith and fear and if you win the war within you can overcome anything **Welcome Everything** Ted Wueste,2020-11-15 In **Welcome Everything** Dr Ted Wueste serves as a guide through some of the spiritual contours of a journey through cancer The story of his battle with both Acute Myeloid Leukemia and Hodgkins Lymphoma is detailed through sharing excerpts from a blog written during two and half years of treatments surgeries relapses a transplant and a whole host of side effects Addressing issues that are experienced in a cancer journey as well as any kind of suffering a hope and an identity securely tied in Christ are themes that run through these pages Included are chapters of current reflections looking back at the terrain traversed in these tumultuous years Not a self help book or a guide to cancer this book is a look at what it means to welcome everything including cancer as a teacher that can bring more into one s life than could ever be imagined **My Walk with the Lord Through the Valley Called Cancer** Jim Mott,2007-12 This is written to give hope strength and courage to those who are going through testing and trials in their lives I hope and pray that the peace that I have found can be imparted to others and that they can find the joy of Christ Jesus in their hearts The Lord has blessed me with these words to share with others in need of a spiritual hug and blessing in their lives PRAISE GOD Through the Valley Richard Johnson,2013-06 A cancer diagnosis can be shocking and overwhelming to say the least But what happens when a husband and wife are both diagnosed with cancers that typically have poor prognoses Richard and Robin Johnson were the pastors of a rural Colorado church where they were both diagnosed with cancers that would change their lives forever We all face valley experiences but how we deal with these situations and experiences will determine the outcome for us Richard says We can fall prey to fear worry and defeat or we can look to the Lord to help us to strengthen us and to become what He desires us to be in the midst of every situation Through the Valley will encourage you to trust God and live victoriously in whatever you may be going through in this life for when Jesus is all we have Jesus is all we need My Spirit-filled Walk Through the Valley of Cancer Calvin W. McGee,2020-02-12 Calvin W McGee JD is a pastor husband and father He retraces his awesome spiritual odyssey from a diagnosis that he would die of cancer in six months to the medical determination two years later that cancer was cured The author s clear vivid narrative allows the reader to viscerally experience the signs and wonders words of knowledge and anointed dreams miracles and more which bestowed healing upon this ordinary servant preacher The author describes how he continually invited God s presence through meditation prayers of petition and spirit helped prayers He describes the favor he found through songs of adoration and praise in tongues The author presents evidence worthy of a legal brief demonstrating that that the favor he found is available to all who know Jesus as Lord no matter what they may be going through While giving due consideration to the seminal theological works of the

ages the pastor outlines his beliefs by referencing warmly remembered events in his life such as receiving the baptism of the Holy Spirit as a nine year old boy who had climbed up into a chinaberry tree to pray His constant companion during this journey was his wife Carol The intimacy and love between the two serve as a testimony to the inspiring and healing effect that God intended to emanate from the holy institution of marriage **Mountains of Hope** Mike Buchanan,2004-09 Here are insights from the heart of a writer whose soothing words of wisdom and comfort can bring hope and new life to a troubled soul Both grandparents and his beloved father died from cancer then a sister struggled with the disease as well as other friends and family members Consequently author Michael Buchanan became passionate about using his gifts time and efforts to provide help to those who are victimized by this random attacker Mountains of Hope combines original poetry and compelling photography with an opportunity for expression through daily journaling *Praising God in the Valley* Joyce Herr,2021-01-22 Joyce Herr started a new chapter in her life in March of 2017 when she was diagnosed with cancer At times this experience led her through some deep valleys with dark and threatening shadows She found herself in need of courage and a source of strength beyond her own to be able to press on In Praising God in the Valley Herr shares her story telling about the challenges she faced the hope and peace God gave her the many lessons God taught her through cancer that ultimately enriched her life and other unexpected blessings of the journey Praising God in the Valley helps you realize how God can use cancer and other adversity to bless you and prepare you to be an ambassador for Him to bear witness of His love and sustaining strength in your trials in a world that asks What difference does it make to be a Christian If God is so good why do bad things happen to good people and How can I know for sure I m going to heaven when I die Herr insists that when you discover the courage strength peace and hope God provides you too will be able to praise God in the valley
