

Monday

Standards	Student abilities range between Pre-1 and 3 rd grade standards.					
Clear Targets	1st- I can learn and write down the date information and my personal information.	2nd- I can identify letters or sight words.	3rd- I can use fine motor skills to describe a holiday object.	4th- I can learn about new instruments and parts of music.	5th- I can roll dice, identify the amount, and locate the number.	7th- I can complete a chore to help my classroom to the best of my ability.
Input/ "Teacher Doer"	All tasks and activities will be modeled by a teacher or a peer model, unless the activity is for the purpose of program monitoring.					
Connection to Previous Learning	1st- Students are continuously working on identifying, writing, and/or writing their personal information as is the skill.	2nd- Students are using their knowledge of letters, sounds, and words.	3rd- Students will continue improving their fine motor skills.	4th- Students are connecting their knowledge of instruments, styles of music, and culture.	5th- Students are using their knowledge of numbers and counting.	7th- Students will be continuing to enhance their life skills by completing different chores weekly.
Activity Explanation	1st- Students will complete their morning binder (which includes handwriting, reading, personal info., and skills the student is currently working on).	2nd- Students will be given either letters or sight words to identify by coloring.	3rd- Students will be working on their fine motor skills while painting a holiday picture with q-tips.	4th- Student will be exposed to new instruments and genres about them by Mr. Alexander.	5th- Students will roll a die, count the dots, and find the amount on a sheet and cover it.	7th- Students will complete jobs such as: mop, vacuum, sharpen pencils, check choir, clean tables, collect trash, organize library, etc.
CPU	Teacher and peer model will check for understanding with the student(s) they are working with every 2-3 minutes (unless it is needed more frequently).					
Accommodations/ Modifications	1:1 will be typical for most students throughout each class period. Occasionally (but not often,) there may be a 2:1 situation, small group, whole group, or independent student learning. All of my students work with a continuous token system throughout the day. They identify what they are working for (snack, walk, break, music, etc.) and earn 1 token per activity. Once they have gotten 3 tokens, they earn the reward they were working for. Then, the cycle begins again as they begin working again. Some students may receive more than 1 token for an activity depending on how much work was required for that individual student. Multiple intelligences and sensory needs will be addressed. Some students utilize communication devices.					

Self Contained Lesson Plans

Léo Pomar

Self Contained Lesson Plans:

The book delves into Self Contained Lesson Plans. Self Contained Lesson Plans is an essential topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Self Contained Lesson Plans, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
