**Munshi Premchand**

## Seva Sadan Novel:

**Sevasadan** Premacanda, 2005 This is a translation of Munshi Premchand's first Hindi novel 1916 centered around political and religious debates about sexuality prostitution and poverty Sevasadan became the benchmark for the Indian novel as it dealt with the philosophical and personal consequences of change in a nation still in chains This volume includes a critical introduction by Professor Vasudha Dalmia *Seva Sadan* Munshi Premchand, **Prem Chand** Prakash Chandra Gupta, 1968 On the life and works of Premchand 1881-1936 Hindi and Urdu litterateur *Sevasadan* Premacanda, 1956

**Visualizing Space in Banaras** Martin Gaenzsle, Jörg Gengnagel, 2006 The city of Banaras is widely known as a unique impressive and particularly ancient historical place But for many it is above all a universal cosmic and in a sense timeless sacred space Both of these seemingly contrasting depictions contribute to how the city is experienced by its inhabitants or visitors and there is a great variety of sometimes competing views Kasi the Luminous the ancient Crossing the city of Death the place of Hindu Muslim encounter and syncretism the cosmopolitan centre of learning etc The present volume deals with the multiple ways this urban site is visualized imagined and culturally represented by different actors and groups The forms of visualizations are manifold and include buildings paintings drawings panoramas photographs traditional and modern maps as well as verbal and mental images The major focus will thus be on visual media which are of special significance for the representation of space But this cannot be divorced from other forms of expressions which are part of the local life world Lebenswelt The contributions look at local as well as exogenous constructions of the rich topography of Kasi and show that these imaginations and constructions are not static but always embedded in social and cultural practices of representation often contested and never complete **PREMCHAND AND THE ARAB WORLD** SHALU & DR JASIMUDDIN, 2022-10-08

The book Premchand and The Arab World is an attempt that states that Munshi Premchand's literary work holds an exclusive position in Indian literature as well as in world literature Even eighty six years of his death the discussions and research on Premchand and his achievements through his literary work are not only in the department of Hindi Urdu English and Arabic of Indian Universities but also in several universities of the Arab World We have tried to ensure that the cultural political and social imports of his work are not neglected We have attempted to bring out its cultural and moral significance The primary stress in the rest of the study is on a close analysis of the individual short stories and novels respecting their integrity and autonomy as works of art owing to space limitations Godan Premacanda, 2000 In Godan two worlds exist side by side occasionally touching one another This is Premchand's last complete novel **Movie Magic** Kiran Kumar, 2014-05-27 We have tried to present an overview of one hundred year old movie history all over the world which has both positive and negative aspects for the creator and the viewer This is especially true of the three leading commercial centers Bollywood

Bombay Hindi movies Hollywood USA and Japan Images moved in 1892 and started talking in 1923 in The Jazz Singer Hollywood It has remarkable achievements both on epic and offbeat levels They cast a hypnotic spell and emotional bonding of the viewers with the star performers and singers The identification with the character and their predicament is the magnetism which is unparalleled compared to other arts like literature painting music etc Movies combine all the three major art forms besides the charisma of the stars But it has its flip side also like the dark space between stars littered with broken hearts and lives and the questionable impact of the crass commercial movie with an eye on profit at any cost However we can make it more powerful and positive The book is an exciting romp through the stellar world of movies and their creators
