A MANUAL OF PRIVATE INVESTIGATION TECHNIQUES William F. Blake, 2013-02-01 This book will help the private investigator reevaluate business opportunities and identify goals for the future The world of the private investigator is constantly changing due to the introduction of various legal requirements that have restricted or eliminated some of the methods available for obtaining information such as the various privacy protection acts Additionally most private investigators have restricted their business activities to a response mode that is conducting inquiries after an incident has occurred Their preventive skills have been ignored to their financial detriment As restrictions continue to be placed on private investigative activities private investigators need to reevaluate personal skills and discover how these may relate to expanding their services This book provides the necessary information for learning about these new skill areas and provides the necessary

strategies for their implementation Some of the topics cover crime and loss prevention strategies risk assessment and prevention strategies Many other topics are also covered such as that of the expert witness This is not a difficult status to attain but requires unique skill sets and experience and can be highly lucrative Crises management is another skill set that is explored here It not only identifies potential risk areas through risk assessment activities but includes development and implementation of preventive measures and shows how the private investigator can assist in restoring business operations to their normal levels This book will be of enormous help to private investigators who wish to develop these sophisticated investigative business skills and preventive services in order to meet these challenges for surviving and thriving in this modern age industry Drugs that Impair Driving: Student Manual ,1994 The Standardized Field Sobriety Test Battery K. Harris,2012-01-01 The Standardized Field Sobriety Test Battery A Guidebook of Facts Opinions and Advice for DWI DUI Enforcement is a one of a kind book It was created to bring the hundreds of relevant sources studies opinions and legal rulings into a single publication The book provides a step by step explanation of the tests development their application and the hurdles they face in the modern day legal environment Tons of technical information is seamlessly combined with personal anecdotes and personal advice from an expert in its application in order to provide better understanding of the multiple facets of such a complex subject This book is a MUST HAVE for every legal library and is suggested reading for every officer involved with traffic enforcement or accident investigations as well as any DWI DUI defense lawyers looking to even the playing field and see what is actually supposed to happen during a drunk driving arrest **Development of a Standardized Field Sobriety Test (SFST) Training Management System** Jack Stuster,2001 Member Handbook National Association of Criminal Defense Lawyers (U.S.),2003 *Drugs that Impair Driving* ,1994 *Government Reports Announcements & Index* ,1996 *Drug Recognition Expert School* , *Defending Drinking Drivers* John A.
