Branna his sister lives here as well and his cousin Iona discovered what love means here He has an unbreakable bond with his childhood friends a bond as certain as an iron ring That ring is about to be tested and this sidekick to Shadow Spell takes you through each test analyzing the plot characters and setting Meara Quinn is Branna s sister not by blood but in friendship Connor sees Meara every day throughout the countryside as each offers guided tours for tourists She is stunning in every way but Connor never saw her that way until a fateful event leads him into a steamy tangle with her Connor is no rookie to entertaining women in his bed but entertaining them in his heart That s another story In Shadow Spell Connor s past is creeping in threatening everything and he ll need everyone in his inner circle to get through it unscathed Our sidekick wraps up this dense novel nicely with a list of questions and responses worthy of any book club meeting *Book Review Expert*
Book Reviews,2014-06-03 WARNING This is not the actual book Shadow Spell by Nora Roberts Do not buy this Review if you are looking for a full copy of this great book Read this review to gain a better perspective of the novel s high and low points while also considering the presentation of an alternative outcome Shadow Spell the second installment of The Cousins O Dwyer Trilogy continues the paranormal tale left behind by Dark Witch This review of the middle piece walks you through the novel s high and low points while breaking down what is occurring behind the scenes Cabhan has much stacked against him yet again with warriors descendants of Sorchu and many others with great power hot on his heels The summer solstice battle has come and gone without a true winner so the group decides to destroy him by attacking the source of his power Cabhan prepares as he always does by focusing on the weaknesses of each member which this expert review also details The plot in Shadow Spell weakens a bit however as Cabhan true to his history underestimates the bonds between those he wishes to destroy The novel s true strength is in its portrayal of the budding romance between Connor and Meara The steam emanating from them almost makes the actual good vs evil theme seem like an afterthought and the novel is better for it Picturesque rural Ireland and the dense characters are the true stars in Shadow Spell not the urban fantasy aspect
