Stop Suffering from Arthritis Dr. Tom J. Huang DAc. Dipl.Ac. Ch.,2002-05-14 Dr Tom Huang's vision is to change how people view Oriental medicine and acupuncture especially in the area of arthritis care If people can understand how Traditional Chinese Medicine can help them they might be more likely to seek treatment through TCM In fact the TCM approach is often miraculous It is difficult to educate people in the concepts of TCM because they are radically different from today's accepted Western medical practices Dr Huang wants arthritis sufferers to learn about their disease to know their enemy Once they understand what they are dealing with they can make an informed treatment choice There are other

answers **Principles Of Chinese Medicine: A Modern Interpretation (Second Edition)** Hai Hong,2015-07-15 As the world's most comprehensive and deeply researched system of alternative and complementary medicine Chinese medicine enjoys a large following in scientifically developed communities Yet its concepts and principles have been shrouded in mystery and obscure language This path breaking book strips this ancient science of its mystique and metaphysical pretensions and interprets it to strike common ground with biomedical science Concepts like qi and meridians are interpreted not as physical entities but as constructs to facilitate diagnosis and therapy using heuristic models Written for medical professionals philosophers of medicine and discerning readers interested in holistic therapies the book offers a

unique perspective of Chinese medicine in an advanced biomedical world It has practical chapters on cardiovascular disease irritable bowel syndrome and cancer and a compilation of Chinese herbs This second edition of the acclaimed Theory of Chinese Medicine has new material on chronic diseases and the intriguing possible convergence of biomedicine and TCM

Traditional Chinese Medicine In The Treatment Of Post-covid-19 Syndrome Dan Jiang,Fanyi Meng,Kerry Webster,2023-06-15 The COVID 19 pandemic dominated the globe for at least three years and infected a large proportion of the worldwide population After the acute infection many stay in poor health for months The nature of this aftermath is not yet fully understood therefore the management of this syndrome through biomedical therapy is not ideal Health services are struggling to help those who are still suffering The condition has now been recognised as post COVID 19 syndrome PCS providing a common platform for academic exchange Traditional Chinese Medicine TCM has been applied to similar conditions for over 2 000 years including in the aftermath of previous pandemics and this understanding of such conditions has been validated in clinical practice In TCM patterns are established to group the weakness the residue of pathogens or interaction between pathogens and the defence system Those patterns form the framework for understanding the illness after acute infections The authors use this ancient understanding in their own contemporary practice which is particularly rewarding when the illness within PCS is treated with acupuncture Chinese herbs and other therapies in tandem This is the holistic TCM approach strongly recommended by the authors as they demonstrate great outcomes The whole system TCM approach for PCS is now presented in this book to health professions for PCS This book has been awarded 2023 International Contribution Award of Chinese Medicine Works Award issued by the World Federation of Chinese Medicine Societies
