The primary employing institution will be responsible for distributing all compensation and employer-paid benefits to the shared employee. The primary employing institution will be responsible for initiating the non-cash voucher for reimbursement for the costs associated with the secondary employment. Ordinarily, the duties performed for the secondary employing institution will be treated as overload responsibilities or as occurring during a time when the shared employee would not be under contract for active service (e.g., summer session). Nevertheless, the parties may specifically agree that the secondary employing institution has bought out a portion of the shared employee's contract with the primary employing institution; in which case, the primary employing institution will treat the shared employee's workload for the secondary employing institution as meeting the shared employee's obligations under the primary employing institution's workload policies.

In witness hereto, the parties signify their agreement by signatures affixed below:
