Of Mice and Men (MAXNotes Literature Guides) Lena Shamblin, 2013-01-01 REA's MAXnotes for John Steinbeck's *Of Mice and Men*. MAXnotes offer a fresh look at masterpieces of literature presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed and has study questions and answers.

Thinking and Deciding Jonathan Baron, 2006-10-22 Beginning with its first edition and through subsequent editions, *Thinking and Deciding* has established itself as the required text and important reference work for students and scholars of human cognition and rationality. In this fourth edition, first published in 2007, Jonathan Baron retains the comprehensive attention to the key questions addressed in the previous editions: how should we think? What if anything keeps us from thinking that way? How can we improve our thinking and decision making? and his expanded treatment of topics such as risk, utilitarianism, Bayes's theorem, and moral thinking. With the student in mind, the fourth edition emphasizes the development of an understanding of the fundamental concepts in judgment and decision making. This book is essential reading for students and scholars in judgment and decision making and related fields, including psychology, economics, law, medicine, and business.
