**Barack Obama and the Arab Spring** Ahmed Y. Zohny, 2021-06-22 In Barack Obama and the Arab Spring A Successful Balancing Act of Foreign Policy and Diplomacy Ahmed Zohny develops a well blended marriage of history and political theories of U S foreign policy diplomacy public diplomacy and national security In this interdisciplinary research he uses data and findings from both the Arabic and English languages by genealogically examining President Obama s foreign policy and diplomacy in response to the chronology of the unfolding events of the 2011 Arab Spring in Tunisia Egypt Libya Syria Bahrain and Yemen President Obama and his top diplomats performances in response to each country s events are assessed critically analyzed and compared to one another in terms of the U S bilateral relations with each country U S national interests and her strategic goals in the Middle East region The findings of this research indicate that President Obama s foreign policy and public diplomacy toward the Arab Spring proved to be a successful balancing act prudent and in the best national interests of the United States in the Middle East

Small State Irregular Warfare in the Twenty-First Century Marius Kristiansen, 2023-08-23 From a Norwegian perspective and by focusing on the Special Operations Forces component within the Norwegian Armed Forces this book provides a scholar practitioner s perspective on how to increase the strategic utility of different types of military efforts in an SSA context The overarching project encompasses a wide range of elements for understanding the contemporary security environment and in particular how the military component fits into the strategic picture within an international context for small states It shows that small states must be aware of the different limitations for existing strategic options for the various actors involved It also outlines the strategic utility of potential niche capabilities and how elements within the Norwegian Armed Forces can take on a strategic enabling role for Norway bilateral partners and even coalitions in future conflicts Small State Irregular Warfare in the Twenty First Century serves as both a guide and a handbook on how small states might utilize SSA as an instrument of national power to meet national strategic objectives

Why Don't Americans Vote? Bridgett A. King, Kathleen Hale, 2016-07-11 This timely book provides a thought provoking discussion of issues that influence voter registration and turnout in contemporary America Elections not only determine who will fill an office they have a lot to say about how the democratic process works or doesn't work in 21st century America This fascinating book sheds light on that question by focusing on factors that currently shape elections and political participation in the United States It covers issues that are consistently in the media such as gerrymandering voter ID and rules pertaining to when where and how Americans register and vote But it also goes beyond the obvious to consider issues that are often overlooked civic education and engagement citizen apathy and political alienation for example The volume begins with an introduction to elections that includes a discussion of the history of voting in the United States Each subsequent chapter covers a different topic relative to registration and voting It addresses matters of education as well as socialization mobilization and the legal and political structures that shape U S political participation Ideal for readers who may be considering such concerns for the first time the work will foster an understanding of why political participation is important and of the causes and consequences of non voting

**On the Transformation of the Chinese Politico-economic System Since 1978, and Its Medium Term Prospects** Dayne Lin, 1996 Political Science Revitalized Michael Haas, 2017-07-28

Political science has been described as a jigsaw puzzle with many specializations and subfields that do not talk to one another This book offers a solution that will advance the field from mid level theory to engage in cross fertilization through metatheoretical paradigms The book begins with a history of political science from the nineteenth century to the present followed by a paradigmatic history of political science including 6 metatheories in the pre behavioral era 12 in the behavioral era and the 4 major and several minor paradigms being developed today The book advances the goal of David Easton by proposing a neobehavioral political science including multimethodological innovations cross testing of paradigms and tenets of a new political science that can rise to become a truly theoretical science Each paradigm is diagramed to demonstrate the key concepts and their causal interconnections Political Science Revitalized Filling the Jigsaw Puzzle with Paradigms poses an exciting and provocative argument for the future of the vast field of political science

**Teaching Political Science to Undergraduates** Laure Paquette, 2016-01-15 By 2020 half of the world's population and most university students will have a supercomputer in their pockets This revolution will affect the way students respond to higher education The university classroom must henceforth engage students and the classic lecture format alone might not be enough to do so This book answers the question how university students can learn in the classroom what they cannot learn in any other way The answer is inspired by options that are not available to political scientists in the way that they are in the laboratories for the sciences in the performances for the live arts and in the studios for visual arts as well as ideas that are already present but not widespread in the discipline problem solving and case studies as in the professional schools and simulation exercises in many other disciplines This book proposes therefore an active pedagogy for political science at a time when active pedagogy is more important than ever Prof Laure Paquette PhD has been a visiting researcher or professor in 23

countries She has advised several foreign governments as well as her own Canada and has published extensively in four languages This is her sixteenth book

**European Politics** Jan-Erik Lane, Svante Ersson, 1996-08-19 This comprehensive textbook is the first to go beyond a West European perspective and provide a clear overview of the whole of European politics Jan Erik Lane and Svante Ersson address the similarities of key political features among states in Western Central Eastern Northern and Southern Europe and look forward to political developments at the turn of the century Traditionally books have polarized Europe by focusing on points of divergence European Politics provides a thoroughgoing analysis of several converging themes including political culture the nature of the state party systems and the formation of government and public policies With this approach to economic social and political aspects of politics in Europe this major text presents a Europe that within the context of reform transition and integration has more in common in the early 1990s than ever before With a clear thematic structure and helpful discussions of data drawn from some 30 countries European Politics offers both an accessible and genuinely comparative text which will be essential reading for student and researcher alike

**Spain After Franco** Richard Gunther, Giacomo Sani, Goldie Shabad, 2023-11-15

*American Nation-Building* Kevin Dougherty, Robert J. Pauly, Jr., 2017-09-20 Nation building efforts by the United States and the international community have led to both success and failure overwhelming support and debilitating controversy Some are motivated by national security interests others by humanitarian concerns They seem to have exploded since the end of the Cold War but in fact have long been used as a foreign policy tool What they all have in common is a substantial investment of troops treasure and time There is no formula each operation is unique with lessons to be learned and trends noted Examining the history of America s experience this book describes the mechanisms behind what often appears to be a haphazard enterprise

**Spain's Transition To Democracy** Andrea Bonime-blanc, 2019-07-09 After the death of longtime dictator Generalissimo Franco in 1975 King Juan Carlos acted decisively to institute a dramatic change in Spanish politics By appointing an unknown Christian democrat Adolfo Suarez as prime minister the king paved the way for the transformation of Spain from an authoritarian regime to a liberal democracy Central to this singular transition was the formulation of the new Spanish constitution an unusual process of political give and take Dr Bonime Blanc examines the evolutionary phases of the constitution making process describing the conflicts maneuvers and compromises of the principal political players involved Analyzing the negotiations and their constitutional results she pinpoints the factors that make a successful transition to democracy possible In her closing chapter the author illustrates the lessons of the Spanish case and their practical implications for future transitions to democracy

Democratic Consolidation in Turkey Müge Aknur, 2012 Although Turkey began its transition to democracy as early as the 1950s it is still far from having reached a level of consolidated democracy with the country s sixty year history of democratic politics being punctuated by numerous breakdowns and restorations of democracy In an attempt to examine why consolidation of Turkish democracy has taken so long this book aims at analyzing various factors including

state political parties civil society civil military relations socio economic development the EU as an international actor and the rise of internal threats political Islam and separatist Kurdish nationalism that both hinder and enhance democratic consolidation in Turkey By highlighting the strengths and shortcomings of the Turkish experience from these perspectives this book suggests the optimal policy priorities for current and future Turkish governments to establish a consolidated democracy in Turkey Contributors Muge Aknur Canan Aslan Akman Filiz Baskan Gulgun Erdogan Tosun Siret Hursoy Aysegul Komsuoglu Gul M Kurtoglu Eskisar Yesim Kustepeli Nazif Mandaci Ibrahim Saylan Ugur Burc Yildiz
