Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **Out of the Bottomless Pit** S.N.

The Works of Orestes A. Brownson: Development and morals Orestes Augustus Brownson, 1884 *History, Religion and Identity in Modern Britain* Keith Robbins, 1993-01-01 They complement and elaborate themes developed in Keith Robbins books [The Reformed Presbyterian and Covenanter](#), 1887 *Anna of Denmark and Henrietta Maria* Susan Dunn-Hensley, 2017-10-11 This book examines how early Stuart queens navigated their roles as political players and artistic patrons in a culture deeply conflicted about the legitimacy of female authority Anna of Denmark and Henrietta Maria both employed powerful female archetypes such as Amazons and the Virgin Mary in court performances Susan Dunn Hensley analyzes how darker images of usurping contaminating women epitomized by the witch often merged with these celebratory depictions By tracing these competing representations through the Jacobean and Caroline periods Dunn Hensley peels back layers of misogyny from historical scholarship and points to rich new lines of inquiry Few have written about Anna's religious beliefs and comparing her Catholicism with Henrietta Maria's illuminates the ways in which both women were politically subversive This book offers an important corrective to centuries of negative representation and contributes to a fuller understanding of the role of queenship in the English Civil War and the fall of the Stuart monarchy

Anarchist Prophets James R. Martel, 2022-07-11 In *Anarchist Prophets* James R Martel juxtaposes anarchism with what he calls archism in order to theorize the potential for a radical democratic politics He shows how archism a centralized and hierarchical political form that is a secularization of ancient Greek and Hebrew prophetic traditions dominates contemporary politics through a prophet's promises of peace and prosperity or the threat of violence Archism is met by anarchism in which a community shares a collective form of judgment and vision Martel focuses on the figure of the anarchist prophet who leads efforts to regain the authority for the community that archism has stolen The goal

of anarchist prophets is to render themselves obsolete and to cede power back to the collective so as to not become archist themselves Martel locates anarchist prophets in a range of philosophical literary and historical examples from Hobbes and Nietzsche to Mary Shelley and Octavia Butler to Kurdish resistance in Syria and the Spanish Revolution In so doing Martel highlights how anarchist forms of collective vision and action can provide the means to overthrow archist authority The Catholic Encyclopedia Charles George Herbermann,1913 **Ancient Philosophical Poetics** Malcolm Heath,2012-11-29 What is poetry Why do human beings produce and consume it What effects does it have on them Can it give them insight into truth or is it dangerously misleading This book is a wide ranging study of the very varied answers which ancient philosophers gave to such questions An extended discussion of Plato s Republic shows how the two discussions of poetry are integrated with each other and with the dialogue s central themes Aristotle s Poetics is read in the context of his understanding of poetry as a natural human behaviour and an intrinsically valuable component of a good human life Two chapters trace the development of the later Platonist tradition from Plutarch to Plotinus Longinus and Porphyry exploring its intellectual debts to Epicurean allegorical and Stoic approaches to poetry It will be essential reading for classicists as well as ancient philosophers and modern philosophers of art and aesthetics *Report of the Proceedings Church congress,1877* *The Official Report of the ... Annual Meeting of the Church Congress, Held at ... ,1877* **Inspiration and Authority in the Middle Ages** Brian FitzGerald,2017-10-06 Inspiration and Authority in the Middle Ages rethinks the role of prophecy in the Middle Ages by examining how professional theologians responded to new assertions of divine inspiration Drawing on fresh archival research and detailed study of unpublished manuscript sources from the twelfth to fourteenth centuries this volume argues that the task of defining prophetic authority became a crucial intellectual and cultural enterprise as university trained theologians confronted prophetic claims from lay mystics radical Franciscans and other unprecedented visionaries In the process these theologians redescribed their own activities as prophetic by locating inspiration not in special predictions or ecstatic visions but in natural forms of understanding and in the daily work of ecclesiastical teaching and ministry Instead of containing the spread of prophetic privilege however scholastic assessments of prophecy from Peter Lombard and Thomas Aquinas to Peter John Olivi and Nicholas Trevet opened space for claims of divine insight to proliferate beyond the control of theologians By the turn of the fourteenth century secular Italian humanists could lay claim to prophetic authority on the basis of their intellectual powers and literary practices From Hugh of St Victor to Albertino Mussato reflections on and debates over prophecy reveal medieval clerics scholars and reformers reshaping the contours of religious authority the boundaries of sanctity and sacred texts and the relationship of tradition to the new voices of the Late Middle Ages **Biblical History** Charles Augustus Briggs,1889 **Religious pamphlets** ,1873 The Bible, the Church and the Reason Charles Augustus Briggs,1893 **The Catholic Encyclopedia: Simony-Tournaly** ,1912 The Catholic Encyclopedia Charles Herbermann,1912 Household Guest ,1888
