

Review the "Issues" tab on the [American Civil Liberties Union \(ACLU\)](https://www.aclu.org/) home page.

In your initial post, identify one of the social issues on this site that pertains to a crime and violence topic. Review the goals of the ACLU as an organization. Explain why the issue fits within the goals of the ACLU and reflect on the stance that the ACLU is taking on that particular issue.

The issue I chose was Prisoners' Rights. The American Civil Liberties Union (ACLU), a dedicated advocate for these rights, states on their website that "The National Prison Project is committed to ensuring that our nation's prisons, jails, and detention centers comply with the Constitution, domestic law, and international human rights principles" (ACLU 2022). A key example of the ACLU's work is the 'Dockery vs. Hall' case. This federal lawsuit challenged the conditions in maximum custody isolation units in Mississippi state prisons, representing all individuals housed there. Despite a settlement, the state failed to comply with the terms, leading to a trial. The Court's order indicated that the Mississippi Department of Corrections was violating the constitutional rights of the incarcerated individuals. This case exemplifies the ACLU's commitment to ensuring compliance with the Constitution, domestic law, and human rights principles in our nation's prisons. The ACLU focuses on several key areas to achieve their goals: civil liberties in prison, medical and mental health care, solitary confinement, women in prison, and cruel, inhuman, and degrading conditions. They strive to ensure prisoners' access to civil liberties like freedom of speech and religion. They advocate for adequate medical and mental health care for prisoners, arguing that denial of such care is a rights violation. They oppose solitary confinement, terming it as a form of torture harmful to a prisoner's mental health. They address issues faced by women in prison, including pregnancy and childbirth issues, and gender-based violence. They fight against circumstances that violate a prisoner's right to humane treatment, such as overcrowding, violence, abuse, and inadequate healthcare access. The ACLU's dedication to these key areas underscores their commitment to protecting the civil rights of our incarcerated loved ones.
