Peabody, 2015-08-11 To truly understand addiction and recovery we must step outside the box of the status quo and challenge conventional wisdom We must look deep within and challenge ourselves We must observe reality and see things as they are Addiction and alcoholism will contort and confuse the mind of not only an addict but a sane loved one just the same so this collection of ideas concepts passages and quotes from my years of writing about addiction is for both fellow addicts and the countless loved ones out there who have stuck by us and loved us unconditionally while we remained preoccupied with ourselves and our comfort This book should help take what is a dark and painful subject and shine a light on it Needless to say these are just words on a page and can never be equated with pure action We must not simply read but must work hard if we are to effect real and lasting change if we are to build an inner reservoir of peace and strength if we are to achieve escape velocity and enter a new world of freedom Recovery from Anger Addiction Verryl V. Fosnight, 2016-03-29 This Book Presents a Paradigm Shift About Toxic Anger Anger Is An Addiction Using the wisdoms of

John Bradshaw Pia Melody Claudia Black Alice Miller and many other recovery giants Verryl grew to understand himself in the context of his past traumas He was finally able to apply all the theories of these authors to heal his anger and rage This expansion of theory to the emotion of toxic anger results in a revolutionary new concept of anger as an addiction This paradigm shift empowers a person to recover from rage as an ill person seeking to be well as opposed to a bad person trying to act better Telling yourself you are a bad person is a self defeating message to your inner self but an ill person can get well He presents this new simple and enlightened treatment for anger in easy to follow language Ultimately these conclusions are illustrated as a set of simple diagrams that outline the full path of angers development starting from the core emotion of pain from early losses through raging behavior that is life damaging Using the revolutionary model of anger as an addiction he demonstrates that anger can be healed There is no need to rationally manage toxic anger while remaining a bad person Toxic anger practically evaporates as an emotional impulse as the underlying pain is resolved in the good but ill person Included Research survey paper on Anger Management classes by Desiree Harris M C Even the Devil Quotes Scripture Robyn J.
