Rabbi Moshe Silberhaft :

The Travelling Rabbi Moshe Silberhaft, Suzanne Belling, 2012 Annotation Tracing the journeys of the Travelling Rabbi this book highlights Rabbi Silberhaft's invaluable work in Africa from caring for the graves of the forgotten and performing wedding ceremonies to providing kosher food and religious insight to various communities Including numerous stories some tragic others humorous but always fascinating this memoir is a celebration of the resilient people he encounters and a permanent record of the Jewish communities and personalities who would otherwise be forgotten [Zion in Africa](#) Hugh MacMillan, Frank Shapiro, 2017-03-20 This work represents the definitive account of the Jewish community in central Africa It tells the story of the coming of the first Jews to the area in the late 19th century the heyday of the Jewish community in the mid 20th century and its decline since Zambian independence Dealing primarily with the Jewish traders in Zambia who flourished in the face of both anti semitism and their own acute social dislocation Macmillan explores a number of interrelated topics the colonial office discussions about Jewish immigration in the 1930s the attempts to settle refugees in Africa by both pro and anti semites Jewish religious life in the region and the remarkable cultural and professional role played by the Jewish settlers Setting these issues in the context of a general history of southern and central Africa this book constitutes a major contribution to our understanding of the economic history of the entire region It will be of interest to both historians of Africa and anyone concerned with economic development identity and immigrant communities **The Limits**

of Human Rights Bardo Fassbender, Knut Traisbach, 2019-11-21 What are the limits of human rights and what do these limits mean This volume engages critically and constructively with this question to provide a distinct contribution to the contemporary discussion on human rights Fassbender and Traisbach along with a group of leading experts in the field examine the issue from multiple disciplinary perspectives analysing the limits of our current discourse of human rights It does so in an original way and without attempting to deconstruct or deny human rights Each contribution is supplemented by an engaging comment which furthers this important discussion This combination of perspectives paves the way for further thought for scholars practitioners students and the wider public Ultimately this volume provides an exceptionally rich spectrum of viewpoints and arguments across disciplines to offer fresh insights into human rights and its limitations

Ernest arrived to seek his fortune in 1902 through his long apprenticeship as heir apparent to Harry Oppenheimer's emergence on the world stage as a magnate and monarch in his own right the King of Diamonds and the man with the Midas touch Cardo tells the story of a dynasty As a financier philanthropist and public figure Oppenheimer straddles the history of 20th century South Africa In the 1950s the National Party regarded him as a threat to Afrikanerdom the sinister embodiment of English money power Forty years later Nelson Mandela praised Oppenheimer as a nation builder a key figure in South Africa's transition to democracy Yet nowadays Oppenheimer is demonised in some quarters as the archetype of white monopoly capital and blamed in part for democracy's disappointing dividends Meticulously researched and superbly written this authoritative work sheds new light on the multifaceted legacy of a renowned South African industrialist **Jewish Life in the South African Country Communities** Adrienne Kollenberg,2007 *Jewish Life in the South African Country Communities: Camdeboo.
