Rabbi Moshe Silberhaft :

The Travelling Rabbi Moshe Silberhaft, Suzanne Belling, 2012 Annotation Tracing the journeys of the Travelling Rabbi this book highlights Rabbi Silberhaft's invaluable work in Africa from caring for the graves of the forgotten and performing wedding ceremonies to providing kosher food and religious insight to various communities Including numerous stories some tragic others humorous but always fascinating this memoir is a celebration of the resilient people he encounters and a permanent record of the Jewish communities and personalities who would otherwise be forgotten *Zion in Africa* Hugh MacMillan, Frank Shapiro, 2017-03-20 This work represents the definitive account of the Jewish community in central Africa It tells the story of the coming of the first Jews to the area in the late 19th century the heyday of the Jewish community in the mid 20th century and its decline since Zambian independence Dealing primarily with the Jewish traders in Zambia who flourished in the face of both anti semitism and their own acute social dislocation Macmillan explores a number of interrelated topics the colonial office discussions about Jewish immigration in the 1930s the attempts to settle refugees in Africa by both pro and anti semites Jewish religious life in the region and the remarkable cultural and professional role played by the Jewish settlers Setting these issues in the context of a general history of southern and central Africa this book constitutes a major contribution to our understanding of the economic history of the entire region It will be of interest to both historians of Africa and anyone concerned with economic development identity and immigrant communities **The Limits of Human Rights** Bardo Fassbender, Knut Traisbach, 2019-11-21 What are the limits of human rights and what do these limits mean This volume engages critically and constructively with this question to provide a distinct contribution to the contemporary discussion on human rights Fassbender and Traisbach along with a group of leading experts in the field examine the issue from multiple disciplinary perspectives analysing the limits of our current discourse of human rights It does so in an original way and without attempting to deconstruct or deny human rights Each contribution is supplemented by an engaging comment which furthers this important discussion This combination of perspectives paves the way for further thought for scholars practitioners students and the wider public Ultimately this volume provides an exceptionally rich spectrum of viewpoints and arguments across disciplines to offer fresh insights into human rights and its limitations

Harry Oppenheimer Michael Cardo, 2023-03-05 This book will surely be the most readable best informed most complete account of Harry Oppenheimer's life there is ever likely to be Bill Nasson historian and author As chairman of Anglo American and De Beers Harry Oppenheimer held sway over his family's gold and diamond empire for a quarter of a century He combined a passion for commerce with a streak of creative genius In this the first comprehensive biography of Oppenheimer Michael Cardo has produced a vivid portrait based on unrestricted access to his subject's private papers and interviews with Oppenheimer's relatives and associates Cardo brings to life the places people and events that shaped Oppenheimer's career at the intersection of business and politics From the diamond fields of Kimberley where his father
