Protector Wolf: Black Mesa Wolves #6 (Wolf Shifter Paranormal Romance) J.K. Harper, 2017-01-09 I LOVED how this story plays out Two broken lost souls find each other and have a beautiful family together As a new Guardian for the Black Mesa Wolf Pack Jace Canagan has one shot left at creating a good life for himself Years ago his childhood was abruptly shattered by unspeakable violence He let bitterness and anger chase away all those who tried to save him from himself Ten long soul seeking years later he s now finally created both purpose and balance in his life Although the old pain still won t let him get close to anybody he s an essential part of a pack again Nothing will keep him from blowing his last chance at a fresh start Nothing that is except meeting the mate he never expected to have or want Single mother Caitlin Rendall is strong and self assured She had to be when the father of her twin pups abandoned his young family Wary of men and ferociously vigilant about her children s safety she doesn t need any man s help Why should she when she s done just fine all on her own But her entire world is shaken when she meets Jace because the unbearably sexy just as fiercely independent man is her mate He s her one shot at having her own protector wolf if only she can allow her heart to lead the way

Can't Bear to Hide: Alpha Werewolf Shifter Romance Lynn Red, For a regular girl to be the sheriff of a town full of werewolves she needs spunk, grit, and the ability to deal with rowdy drunks eight times her size. In the three years since Raine Matthews escaped an abusive relationship by clocking her husband with a baseball bat, she's been through a lot. She ran, she hid, and she fell in love with Daxon, an alpha werewolf of Kendal Creek. She's got spunk and grit to spare, but she's also constantly reminded of a past she can't undo. Dax is one bad boy, an alpha werewolf who takes what he wants and isn't shy about bending rules, which has gotten him in trouble more times than he can count. Raine's calmed him down, though a little. And he's mellowed with age, a little. But when an old rival resurfaces and threatens not only his town but his mate, Dax isn't just angry; he's mad enough to kill. With Raine's darkest shadow coming back to haunt her and Daxon's rival breathing down his neck, can the love of the two of them built survive the hell of their past? Only one thing is for sure: when she can't bear to run and can't bear to hide, Raine's sure as hell ain't going down without a fight.
