Conservation Officer Shannon Kritz attended a game dinner at the Free Evangelical Church in Carey. As part of the event, CO Kritz presented sportsmen about updated game laws affecting Manominee County and answered any questions. There were over 100 people in attendance at the event.

CO Anna Vlasu responded to a call of a bear cub hanging around a residence outside of Iron River. Upon arrival, CO Vlasu was spoken to through the window of house by the homeowner. He said that the bear was eating by the back door of the house. As CO Vlasu walked around the house, she noticed that the homeowner had placed some food on the ground for the bear to eat and the bear yearling was happily enjoying his free meal. After a short time attempting to chase the bear out of his yard, the bear climbed a nearby tree. CO Vlasu advised the homeowner to clean up the food he had placed outside for the bear and remove access to any other tempting garbage or animal feed so that the bear would find a more suitable place to await spring.

COs Jeffrey Dell and Christopher Lynch interviewed a subject suspected of taking a deer without a valid license during the 2018 deer season. A confession was obtained, antlers were seized, and the case is pending prosecution.

The property owner was upset because snowmobiles were running over his septic and crashing into his utility box. CO Ferguson was able to convince the property owner that wasn't safe for anyone and he removed the garden tools and set up plastic tomato sticks with zip ties to secure the fence instead. CO Ferguson the following day brought him an arrow sign and no trespassing sign to help direct snowmobile traffic off his property. The days following CO Ferguson and Sergeant (Sgt.) Brian Bacon were in the area and observed no trespassers. The property owner was happy with the outcome.

CO Josh Boudreaux responded to report of a snowmobile accident with injuries on snowmobile Trail 5 in northern Marquette County. CO Boudreaux and a Marquette County Sheriff's deputy responded to the scene and devised a plan to access the patient. Due to poor accuracy on GPS coordinates, CO Boudreaux transported the paramedic via snowmobile through a back-route and upon locating the patient updated the deputy on best access with the rescue sled. After stabilizing the patient, who had suffered significant lower extremity injuries, they were loaded into the rescue sled for
