Rabha Hasong Autonomous Council Act:

Autonomy and Democratic Governance in Northeast India M. Amarjeet Singh, 2022-03-17 This volume studies the various forms of ethnic autonomy envisioned within and outside the purview of the Sixth Schedule of the Indian Constitution. It explores the role of the British Indian administration and the Constituent Assembly of India in the introduction and inclusion of the schedule and the special provisions granted under it. Drawing on case studies from the states of Assam, Manipur, Meghalaya and Sikkim in Northeast India and Darjeeling in West Bengal, it examines whether the practice of granting autonomy has been able to fulfil the political aspirations of the ethnic communities and how far autonomy settles or eases conflict. It also discusses sub-state nationalism and if it can be accommodated within autonomy and studies the views of the central government and state governments towards such autonomy. An important contribution towards understanding India's federal structure, the volume will be indispensable to students and researchers of politics, democracy, Indian Constitution, law, self-governance, political theory and South Asian studies. North East GK Complete Vikas Doon, Dino Editorial Team, This GK book North East General Knowledge has been specially published for people who want to explore in depth various States of North East India to quench their thirst for knowledge for the purpose of Competitive Exams, Business Opportunities, Travel, Tourism or any other reason. The book covers wide ranges of inclusion and exclusion in accessing mainstream projects and government programmes rolled out from time to time, the government provisions enshrined for the regional growth in the Northeastern region of India, both as hard power and soft power diplomacy, which are dealt and discussed here by different contributors of papers from various academic cross-disciplinary areas. It is felt that Soft Power Diplomacy is very instrumental in shaping the image of a country abroad. Joseph Nye coined the term and domestic policies are as important as foreign policies. Classical Realists too have the similar understanding view of domestic domain having ramification on foreign policies, national interests for a country.
